Seniors, Prepare For College Day!

With the annual ASHS College Day approaching this is sort of a preview to that event in the hope that it will shed some light on some of the problems that might confront the seniors.

This year is a very big step in your life. The college you attend and the courses you take will have a great deal of influence on the rest of your life. It is therefore important to pick a college that can benefit you the most.

We at ASHS are very lucky to have such a fine College Day every year. ASHS is one of the few schools of its size in the state that has a program like this to last all day. Most other schools get either a morning or afternoon to hold College Day.

College Day is sponsored by the ASHS chapter of the National Honor Society. This year as in the past representatives from all colleges in this region will be present. Juniors and seniors of ASHS will be able to talk to the representatives in the morning half of the program.

The main thing in preparation for College Day that you should do is to do some serious thinking on what career you desire for the future. This will determine the type of training you need and that in turn will influence what college you attend.

It will be of great help to you and the representative you talk to if you know what you are interested in, how much money you can afford, an estimate of your scholastic standing, and other facts such as these.

Also you should ask the college representative you talk to the important things you need to know. Some of these are the entrance credits required, College Boards required, cost, subjects, and activities.

The main thing after College Day is over is to make up your mind and get busy with everything that you need to do to be able to attend the college of your choice.

This is a very important time of your life. Don't look upon it lightly.

A Time For Rest, Fun And Thanks

What does Thanksgiving mean to you? To so many students Thanksgiving means two days vacation from school; a chance to catch-up on their sleep, a chance to read that library book for the next book report, and a time for parties and other forms of merriment.

Thanksgiving is a time for giving thanks. Many students say, "What have I to be thankful for? Nothing good ever happens to me."

These students never take the time to look around and see the many things for which they should be thankful. As citizens of the United States, they should be thankful that they belong to such a wonderful nation that gives its citizens the freedom of worship, press, speech, and many others.

We should give thanks to God for the birds, the flowers that beautify our land, for winter, summer, fall and spring. Most of all we should give thanks for America, where free men live, and the many privileges we, as Americans, possess that other nations do not possess.

May students, between parties, ball games, and other activities during Thanksgiving this year, take time out to thank God for their ancestors, the pilgrims, to whom He gave strength and courage to settle a new land, and to thank Him for their many freedoms they possess today.

Teacher Of The Month

"I can't get the darts in my shirt to work out, Mrs. Coble. What can I do to them?"

"Mrs. Coble, my sewing machine isn't working. How can I fix it?"

These are only a few of the many questions asked in one day to Mrs. Marie Coble, the teacher featured in this issue of the Full Moon as Teacher of the Month.

Mrs. Coble, a graduate of Woman's College in Greensboro, teaches Home Economics here at Senior High and is sponsor for Future Homemakers of America.

She has been a faculty member of ASHS only two years, but because of her enthusiastic work with F.H.A. and her willingness to help any pupil in need, Mrs. Coble has proved herself one of the most popular teachers here.

Being very original and always willing to lend a helping hand, she is often called upon to take charge of the decorations and the serving at banquets and other special events around school.

Even though she stays very busy teaching here, as well as at Junior High, Mrs. Coble always finds time to spend with her husband, a successful lawyer here in Albemarle, and her two very attractive little daughters.

Mrs. Coble, we are proud to have an attractive teacher with a warm personality like yours on the faculty here at school, and we are equally proud to have you as our Teacher of the Month for November.

Young Politicians Write Articles

Editorials from the last issue of *Full Moon* written by three ASHS students concerning the presidential campaign recently were published in the *Stanly News and Press*.

"I'm for Nixon" by Steve Watson and "Kennedy for Me" by Bill Burbage were articles appearing in George Weaver's column November 4. Each article was concerned with the vital issues of the campaign, and each writer gave his reasons why he would vote for his candidate.

In commenting on the writing of these teen politicians, Mr. Weaver said, "We think they show an excellent grasp of the situation and the ability to express beliefs."

On October 21, an article by Mary Sikes also appeared in the local paper. Mary's article grew out of an assignment in Economics which was based on sales talks. She endeavored to sell a small donkey, the Democratic symbol. This article also appeared in the *Raleigh News and Observer*.

These three students have been commended highly for their journalistic work.

CAMPUS CHATTER

Dear Gobble,

Well, here we are again telling all the gossip of ASHS. We have been hiding in closets, going unnoticed to parties, and joining in the fun over Halloween. Yes sir, we have been very busy during this last month.

The Stanly Room was the scene for Cecilia Roache's Halloween party. All goblins were invited and everyone seemed to have a good time. Those goblins especially enjoying it were Karen H. and Nelson S., Brenda S. and Chip C., Linda H. and Jerry L., Pam S. and Lane L., Cecilia R. and Lindsay H., Betty M. and David B., Frances S. and Ronnie K., Judy C., Bobbie A., Susan A., Sara T., Edith S., Nancy S., Brenda M., Steve S., Jerry T., Bill B., Don B., and Mike F. Coach Nye and Miss Thomas chaperoned and both seemed to be having a good time.

Another party was held Halloween night. Gaynelle Deese gave it for her homeroom in the basement of her house. Judy U. and Johnny F., Lane C. and Sylvia F., Gaynelle Deese and Bill M., Bennie H. and Ellen E., Gary M. and Barbara F., Diane G. and Steve G., Joann T., Gayle M., Janice M., Bertha M., Wayne D., Jerry S., Joe A., Wanda T., Joann L., Vicky H., Peggy S., Gary S., Philip M., Joe H., Mary Jo P., and Don P. and Becky B. were seen scaring all the spooks.

Congratulations to Pam Treece, who was chosen DeMolay Sweetheart at their annual Sweetheart Ball. We think the DeMolays are well represented by a very pretty Sweetheart.

The theme of the dance was "Harvest Moon". Louise F. and Jerry S., Pam T. and Bill B., and Julie B. and Bill S. were a few couples seen there.

We want to thank Jane Crutchfield, Steve Surratt, Bill Burbage, Janice Hearne, Steve Watson, Pam Sells, Linda Haynes, all sophomores, and all people that helped with homecoming for making it possible. Everything went off smoothly and everybody seemed to have a good time.

A dance was held in honor of the Homecoming Queen, Susie Napier, in the Student Lounge. The decorations for the dance were exceptionally good, thanks to all the work the decorations committee had put on them. Raymond P. and Sylvia W., Jimmy B. and Ricky F., Frances S. and Mike F., Don S. and Linda L., Rowena K. and Tommy M., Suzanne S. and Tommy M., Vivian S. and Bill S., Betsy H. and Jeff U., Nancy S. and Bill M., Sandra H. and Gerald H., Fred S. and Inger B., Brenda M. and Terry M., Tommy L. and Ellen E., Nancy S. and Neville P., June W. and Larry S., Joann T. and Mike B., Diane B. and "Bo" B., and Marie S. and Steve I. seemed to be having a wonderful time.

Several new couples have been seen around school. Janice H. and Jerry T., Judy U. and Johnny F., Susie N. and Eddie W., Karen H. and Nelson S., Jeff U. and Betsy H., Diane B. and "Bo" B., and Fred S. and Inger B. are among these. It seems that Arthur Sells is having a heap of trouble picking between Vicky Hudson and Joann Tucker. Which one will it be, Arthur?

The majorettes had a party at Bobbie Richards' cabin at the river for Bobbie Atkins on her birthday. We heard that it was a complete surprise to Bobbie. Those joining in the surprise were Judy C. and Jimmy M., David S. and Wanda T., Cathy F. and Gary M., Nancy L., and Bennie H. We heard that about fifteen Pfeiffer students invaded the party and that all enjoyed the evening, especially Bobbie.

Since Asheboro was the last football game that the senior boys will play in high school competition, we want to recognize them and commend them on their fine playing. Way to go, "Bo" Turriss, Mike Wolfe, Mike Fuson, Steve Isenhour, Gary Mauldin, Kent Montgomery, Craig Morgan, Craven Morton, and William Walker.

The Asheboro game was also the final game that Judy Chandler and Susan Ausband marched in. You did a fine job, majorettes. Pam Sells, Susie Napier, and Louise Furr have now cheered at their last football game. Thanks for all the school spirit, cheerleaders.

Until next month we will be signing off. Remember, we see all, hear all, and above all, we tell all.
