

# Fry's Senior Choral Group Organizes, Makes Plans

Changes have been made and activities have been planned in the music department of ASHS.

The name of Senior Mixed Chorus has been changed to Senior Choir. This group consists of 60 boys and girls from the Junior and Senior classes.

Activities for Senior Choir this year include singing engagements at various civic clubs and churches, as well as the annual Christmas and spring concerts. Among the events in which the choir will participate will be the state choral festival at Greensboro, the Mars Hill choral clinic, and the district choral contest held at ASHS. Selected students will go to Davidson to participate in the regional solo and ensemble contests.

Committee chairmen and members have been chosen. The committees and their chairmen are as follows: Publicity, Frances Sides; Social and Hospitality, Steve Burleson and Brenda Morris; Robe, Rebecca Swaringen; Stage Arrangement, Danny Davis; Transportation, Bob Richards; Phone, Sheila Harris; Scrapbook, Pauline Furr; and Library, Chuck Miller. Accompanists are Jane Boaz and Sherry Pegram.

In addition to the Senior Choir, there is a Mixed Chorus composed of tenth grade students. This group meets Monday, Wednesday, and Friday, alternating with physical education.

A general music class is held two days a week. This class is primarily concerned with listening to music and records, and studying different types of music. Special attention is being given to music of the community, the state, and the nation.

# Seniors Placing Orders For Cards

Starting early on graduation preparations, the Senior Class began ordering calling cards during the first month of school.

Each Senior homeroom secretary is in charge of the sales in her room. The cards, arriving in the middle of November, will come in a variety of styles and engravings.

Every Senior was urged to buy calling cards through the class, because the Senior Class at A.S.H.S. will receive one-half the profits of the sale.

These cards will be used in graduation announcements next spring. It is customary, too, for Seniors to exchange cards with their classmates.

# Homecoming Set For October 20

October 20 is the date that has been set by the Boosters Club as Homecoming. Complete plans will be announced later, but the present schedule includes a dance after the Rockingham game that evening.

Boosters Club has elected officers, secured advisors, and made plans.

Mrs. Gamewell and Miss Thomas were selected as advisors, and the club of 154 members elected Janice Hearne, president; Judy Starnes, vice-president; Ricky

The members of the Boosters Club chartered a bus for the Lexington game with an excellent response of thirty-three pupils. If such response continues, a bus will be chartered for future "away" games.

# Many Students Attended Assemblies, Conferences

Attending conferences and assemblies all over North Carolina kept many students of A.S.H.S. busy this summer.

Jeff Underwood and Rowena Kluttz represented the high school at the Student Council Workshop held at Boone. From June 31 to August 4 the two students learned about the purposes and functions of the Student Council. Accompanying them was Mrs. Bess Young, advisor to the Council.

Barbara Doby and Sherry Pegram spent the second week in June at Girls' State in Greensboro, while Edward Lowder and Jeff Underwood attended Boys' State in Chapel Hill during the week that followed. At their respective locations, these boys and girls widened their knowledge about organized political parties and government, from the city to the state.

Margaret Allred attended a one-week session at the Civitan Youth Conference at Wildacres. Human relations, under the headings of individual, religious, community, and social, formed the topic of discussion. Boys and

girls from all parts of North Carolina and some sections of Virginia participated.
