Lana Turner Wins Speaking Contest

Lana Turner, local winner of the D. E. speaking contest, took top honors Nov. 8 at the North-western District Convention of Distributive Education classes held at A. L. Brown High School in Kannapolis.

Ronald Sells, competing with eight other contestants, took second place in the Job Interviewing contest.

The topic of Lana's speech was "Developing Future Leaders in the Field of Marketing and Distribution." Ronald was interviewed as if applying for a job, without knowing anything beforehand that was going to be asked him. Both winners were presented a trophy.

At the D. E. Convention in the spring to be held at Durham, Lana and Ronald will compete with district winners. For this contest Lana must learn three new speeches.

Jimmy Watson worked on the nominating committee with eight other persons. It was the duty of this committee to interview each one running for office. The committee decided then whether or not the candidate was allowed to run for the office by the way he answered the questions asked him.

In the afternoon session Vonda Cole gave the National Convention report before the entire convention.

Following the general session, a banquet was held at the YMCA in Kannapolis at which approximately 325 persons were present, including special guests and speakers.

NHS To Sponsor College Day Here On November 27

College Day, sponsored by the National Honor Society, will be observed at ASHS on November 27.

Representatives from various institutions will be present in the gymnasium from 9:30 until 2:00 o'clock. Juniors and Seniors from Senior High may consult the college representatives from 9:30 until 11:30. During the afternoon, students from the Stanley and Montgomery high schools will participate.

Parents of students are also urged to attend along with their sons or daughters.

About fifty-six institutions will be represented on College Day. Forty-two of these representatives are from colleges and universities, while three are from technical schools. Representatives from eight schools of nursing will be present. Members of the Coast Guard, the Army, and the Navy will also participate.

In order to prepare students for College Day, the Juniors and Seniors have been given a guidance program on the subject. This program, designed to assist students in getting the most benefit from College Day, suggested various questions that a student might want to ask a representative.

Members of the National Honor Society, the sponsoring group, will serve as guides throughout the day. They will also decorate the gym and bulletin boards appropriately.
