

Student Council Plans Activities

Store Manager

Bobby Gene Lowder has been chosen by the Student Council for the 1964-65 school year to serve as store manager.

The school constitution delegates authority to the treasurer of the Student Council to appoint a school store manager. The appointment must then be approved by the S. O. president and advisor.

The school store, a service project sponsored by the Student Council, is open each morning before school and during lunch period. It is located in the front foyer.

Committees

At the first meeting of the Student Council which was held September 15, Charles Morton, president, read a list of appointed committee chairmen and asked for their support. The list was as follows: Dane Perry, assembly committee; Joanne Lisk, finance committee; Jahala Holt, calendar committee; Thomas Fields, fire drill committee; Eddie Lane, publicity committee; Ann Hudgens, house and grounds committee; Emalynn Helms, social committee; Brown Bivens, elections committee and Steve Pinkston, traffic committee.

Mrs. Bess Young, advisor, stated that the installation of officers and representatives would be held October 2.

Billfold Cards

Students have been given billfold cards containing an ethical code and a sportsmanship code as a personal reminder from the Student Council to be honest.

Written on one side of the card is "Albemarle High." Each letter stands for a quality conducive of those which a high school student should possess. On the side containing the sportsmanship code, "Bulldogs" is done in the same manner by exemplifying good rules to follow in the participation and the spectation of athletics.

Editors Attend Summer Meet

Edith Johnson and Sally Eford attended the annual Editor's Conference for editors of high school newspapers and yearbooks at Winthrop College, Rock Hill, South Carolina, in late June.

They attended classes during their three day stay where they discussed and compared new ideas for design and composition of their respective publications.

The conference was host to some six-hundred students; half of which went to the classes for papers, and half to the classes for yearbooks.

Both girls brought back new and better ideas of improvement for the paper and yearbook. Edith is the promotion manager for the *Full Moon*; Sally, the editor of the *Crossroads*.

Fry Organizes Special Choir

A new choral group with the temporary name of Special Choir, consisting of twenty-four juniors and seniors, is being conducted by Mr. Paul Fry during fourth period.

Mrs. Jimmy Brown, Mr. Tom Hauss, and Mr. Paul Fry are in the process of selecting a musical stage show which will go into rehearsal in the near future.

AFS STUDENT WELCOMED

Christian Koepcke, Albemarle Senior High School's Foreign Exchange Student from Stuttgart, Germany, is seen here chatting with his American brothers, Jimmy and Brown Bivens.

Christian Koepcke Makes Home In Albemarle

Studying at ASHS this year is Christian Koepcke, our 6-foot, 152 pound, brown haired foreign exchange student from Stuttgart, Germany, who resides in the home of Dr. and Mrs. Ed Bivens.

Chris, as he is better known by everyone, made quite a change when he came to us. He stated that German and American schools are very different.

"We go to school thirteen years and there is no choice of subjects. The teachers come to each class, and the same group of students is together all day. We go to school about six hours a day, often late in the afternoon, six days a week for nine months with the traditional holidays at Easter and Christmas. As for my ambitions, I plan to go to the university, but I don't know what I will be."

Chris remarked that his favorite subjects are American Problems and physical education.

Basketball, track, soccer, swimming, and skiing (water and snow) are among Chris' favorite sports. He also asserts that he enjoys hunting, fishing, reading, studying English, and playing the cello. He also plays the piano which he has studied for quite sometime.

When asked what he liked to do in the United States that he didn't do in Germany, he replied that he liked "the river, the boats, and water skiing, which I did not do in Germany." He added that he liked ASHS better than the school in his country.

As for what he likes in Germany that he hasn't found here, he said, "close friends."

When asked what type of girl he liked, Chris said, "There is too much difference. I cannot say."

On the subject of dates, Chris concluded that the students his age in Germany have not yet begun to date because they do not drive until they are eighteen. He did say that the teenagers often dance and attend the theater, which is quite near his home.

As Chris spoke of dancing, he added that in his country the teenagers dance the twist, cha-cha, charleston, slop, fox-trot, and the waltz — "when parents are around." He ended with "I would laugh at the 'dog'."

Well, that is a brief synopsis of our newest student. If we have skipped any facts that you would like to know, just ask Chris because he is a nice, friendly boy who would be glad to know that his new fellow students are interested in him.

Moonbeams

Lion and Rotarian

Congratulations to Eugene Coley, editor of the *Full Moon*; and to Charles Morton, president of the Student Organization, for serving as Student Lion and Rotarian, respectively, for the month of September.

Assistant Principal

Mr. Walter Smith has assumed the duties of assistant principal of ASHS. This is the first time in the history of the school that this position has been filled.

Class Rings

Mr. Albert Bealle of the L. G. Balfour Company measured members of the Junior Class for their class rings during fourth period September 15. The students have a five-dollar deposit on the rings which will have a smooth blue stone of three sizes: medium, large, and extra-large.

'Kickoff '64' Is Big Success

"Kickoff '64," a back to school dance sponsored by the Student Council, was held September 11, in the gymnasium and student lounge. The purpose of the dance was to "kickoff" the 1964 school year and football season.

Decorations consisted of numerous banners and small paper footballs with the players names on them. The refreshment table was decorated like a miniature football field. Special entertainment was provided by the Avantis, a local combo.

During the dance a pep rally was held with cheerleaders leading the yells. Charles Morton, S. O. president, spoke to the students asking that they support the football team. Mr. Webb, principal, congratulated the team for its hard work; Franklin

Reeves, team captain, thanked the students for their support and confidence and pledged to "beat Myers Park."

Committee chairmen for "Kickoff '64" were as follows: Emalynn Helms, decorating committee; Robin Loeb and Tony Senter, publicity committee; Jane Austin, refreshment committee; Brenda Peeler, chaperone committee; and Tommy Smith, music committee.

Chaperones for the dance were Mr. and Mrs. Wade Peeler, Mr. and Mrs. John B. Morris, Mr. and Mrs. Roy Earnhardt, Mr. and Mrs. Flavie Thomas, and Mr. and Mrs. Frank Thompson. Mrs. Bess Young, S. O. advisor, and other teachers attended.

Six Teachers Join Faculty

Six new teachers have claimed ASHS as their place of occupation for this school year.
