### Albemarle Teen Club Features First Dance

The newly organized Albemarle Teen Club held its initial social function on Saturday night, March 27, from 8 until 12 at the National Guard Armory.

Approximately 300 students from Senior High joined the new club sponsored by the city's Department of Recreation, which is headed by Mr. Bob Amos. Members and their guests are entitled to attend all parties, dances, and other functions that the club holds.

In a meeting Friday, March 12, the Steering Committee of the club, composed of 17 members of the Senior Class and advised by Mr. Amos and Mr. Gibbs, agreed on final plans for the big affair.

With a theme of "Set Sail ATC" the atmosphere and surroundings

were those of the beach and the ocean, places very close to the hearts and thoughts of most students and reminiscent of summer vacation. Entertainment was provided by a live combo employed by the Teen Club for this occasion. Refreshments were sold, and any profits were returned to the club treasury for use in other functions.

As the date of the big dance approached, enthusiasm and anticipation rose as committee members were hard at work assuring the dance as a big success. It is the opinion of club members that this is the key step that will open the door for "more things to do in Albemarle" in the future.
