## Band wraps up season

The Albemarle Senior High Marching Bulldog Band wrapped up the 1982 marching season by competing in the Forbush Marching Band Festival Saturday, October 30. All of the hard work finally paid off. Although the band received a "good" rating, they brought home four trophies and a feeling of accomplishment. The flag squad received a second place trophy and a superior score of 85.5. Independence High School won first place with a score of 86.5. The rifle squad also received a second place trophy with a superior score of 85.5. Myers Park took first place with a score

of 86.0. The drum majors received a first place trophy with a superior score of 88.0. Myers Park won second place with an excellent score of 72.0. The drum line received a high excellent score of 79.

The band has worked extremely hard this season and they deserve a great deal of appreciation. Every band member's efforts are to be commended. Mr. Hedrick has set aside several important dates for the near future. They have been invited to the Salisbury Christmas parade, held November 24. They will be judged in colorguard (drum majors,

flags, and rifles) and, music, and marching performance. They will also march in the Albemarle Christmas Parade on November 29. The 1982 Christmas Concert is December 16, and the concert season contest will be on March 18 at the South Central District Band Contest. Finally, a trip to Florida will be May 5, 6, 7, and 8. In Florida, they will compete in a jazz band contest, a concert contest, and possibly a marching contest. Congratulations, band, on having such a successful marching season, and thanks for representing ASHS the way you have.

## Council Stays Busy

The ASH 1982 Student Council has been working diligently since the beginning of the school year. Their first major project was the school-wide magazine sale which helped add approximately \$900 to the council's treasury. The first dance of the year was held on September 17 after the Mount Pleasant game. "Infinity" the featured band, was backed up by a juke box. There was a successful turnout and many students expressed interest in more dances. For the first time, the Student Council sponsored a concert following the homecoming game. "Freedom Jam" gave a dynamic performance that everyone enjoyed.

At the last meeting of the council, many upcoming events were discussed such as a movie for all students, which will be shown before Christmas. Presently, plans are being made for the location and layout of the picnic table areas. During this next

month, Student Council members will go to work reviewing and revising the *Blue-White Student Handbook*. This project will require a great deal of time and work but should be a valuable resource for information on school rules and club requirements. It will also include an updated account of ASH history. A new proposal concerning school board meetings was discussed by the council. They unanimously voted in favor of sending two representatives from our council to observe the monthly meetings of the school board. This would enhance communication between adults and students who together are involved in creating a better school system. Finally, it was announced that a suggestion box be placed in the office for the convenience of all. Students who have suggestions to be discussed by the council are encouraged to take advantage of this opportunity.

## Attention

A representative from the North Carolina School of Science and Mathematics will be in the library at 10:30 a.m. on Friday, December 3rd. Doug Spain will meet with students and parents to answer any questions about admissions procedures.
