Snyder, Lowder, and Richards Morehead Nominees

By Tom Stubbs and Shelly Austin

Three AHS students, in recognition of their hard work and determination in and out of school, have been nominated for the prestigious John Motley Morehead Scholarship to attend UNC - Chapel Hill. Bill Snyder, Matt Lowder, and Brett Richards will be competing in first round interviews this weekend for this scholarship which is valued at \$40,000.

Each of these young men has a fine and lengthy list of accomplishments. Bill Snyder has been a Governor's page and attended Governor's School. He has participated on the WSOC Youth Advisory Board and attended the Hugh O'Brian Youth Foundation Leadership Seminar. Last year he served the school as vice-president of the student body. He is a member of the National Honor Society and Editor-in-Chief of the *Full Moon*. Bill is also a three year letterman in cross country and golf.

Matt Lowder has attended many summer

camp, including Summer Ventures in Math and Science, SPEC, and Student Introduction to Engineering at NCSU. He attended the 1988-89 regional math contest, is the president of the National Honor Society, and is an active member of the foreign language club. Matt is also the #1 seed on the varsity men's tennis team and has been a scholar-athlete for three years.

Brett Richards has been a scholar athlete for three years. He is vice-president of the National Honor Society and serves the school as announcer at soccer games and JV football games. He attended Governor's School East this summer. He is an integral part of the men's varsity tennis team and an editor of *Full Moon*.

Realistically, all of the guys' accomplishments, awards, and honors couldn't be listed, but this will show you the hard work it took to get to where they are today. We wish them luck as they go to first round interviews Sunday, October 29.

Brett, Bill, and Matt are preparing for local interviews on October 29.

Will you meet that deadline, Mr. Holt?

You Get More Than You Pay For

By Beth Childress

One of the most treasured memories of each school year is the annual. The yearbook staff is working hard to make this year's book the best ever. The price of the annual this year will be \$25.00. Although this is a \$5 dollar increase from last year's annual, it does not represent the true cost of the book. Each annual last year cost \$36.00 to produce, but students only paid \$20.00 for their copies. This year the projected cost for each annual is \$39.00, but students will receive a \$14.00 discount and pay only \$25.00. Annuals

will be sold on October 27, November 3, and November 10. A \$10.00 deposit is required, with a balance of \$15.00 due when the annuals are delivered. If you prefer, you may pay the entire \$25.00 at the time of ordering. Annuals will be sold only during this pre-sale period; none will be available for sale once they return in May. Don't miss out on such a great book. Budget your money and place your order on one of the pre-sale days.

Sam Holshouser and his son Ross both achieved the unbelievable feat of never missing a day of school.

Mrs. Sara Holshouser will award a check to the AHS senior with the most consecutive perfect attendance years.

Holshouser Family Establishes Attendance Award for Albemarle City Schools

By Bill Snyder

Sara Holshouser and her children, Suzanne and Ross, have established an attendance award in memory of their husband and father, Sam, who was tragically killed in July. The Sam Holshouser Memorial Attendance Award will be given each year to the student at Albemarle High School who has the most years of consecutive perfect attendance. The recipient will receive \$100 per year of perfect attendance. The award can possibly be worth \$1,300, if the student has never missed a day of school. This will be a cash award, to be used as the recipient wishes.

Sam Holshouser himself achieved perfect attendance (12 years), and just this past June, had the pleasure of presenting to his son Ross an award for 13 years perfect attendance. Because both father and son achieved such an amazing goal, the family feels that an attendance award will be most appropriate to honor Sam.

Albemarle City Schools extend sincere appreciation to the Holshouser family in establishing this award for our students.
