## Magical Memories

by Shannon Homesley

On Saturday, April 29, AHS students once again made memories that will last a lifetime. The 1995 prom turned out to be a great success for underclassmen, faculty, and especially seniors. Thanks to the decorations provided by the juniors under the guidance of Mr. Eason, Mrs. Hopkins, Mrs. Harvey, and Miss Ewers, and the perfect hosting service from the sophomores, the junior/senior prom was an enchanted evening. The prom theme, *In the Still of the Night*, was a perfect match for the appropriate blend of lighting and music provided by the L.A. Light Show. After making their grand entrance, guys and girls both shed clothing, from tux jackets to high-

heeled shoes. Whether eating before the prom or after, all couples and stag groups had a fun night full of wild dancing and good food. Many students had special memories or feelings that made their night enchanted. Most seniors enjoyed it because it was their last prom and they made many memories. Others said they had the opportunity to spend the evening with that someone special. And still others decided it was great because they got to share their happiness with their best friends. Whatever the reason, it seemed as if everyone had a good time dancing and socializing *In the Still of the Night* at the 1995 prom.

Heather, Teresa, Anna, Shannon, Alyson, Jennifer, Leigh Ann, and Molly model their special dresses before departing for the prom.
