

Predictions

- I, Lori Allen, predict that Trellis E. and Mario C. will become the biggest players of the school. Tajuania S. and Skeet will get married and have too many kids.
- I, Stephen Anderson, predict that by the time Mrs. Hathcock retires, she will have a real human tongue nailed to her wall and a jar of tongue confetti. Mike B. and David E. will get arrested for crimes against nature and "get to know" each other in prison. Wilson B. will become a millionaire and own any football team he wants. Dustin P. will marry a beautiful woman who will weigh 600 pounds by their 15th anniversary. I predict that Grant H. will rebel against society and start mailing bombs to universities and airports after Mike B. confesses he was the original Unabomber.
- I, April Bailey, predict that Alison B. will marry "C" or "B" when one of them decides to settle down. Carmen B. will get back with Jamie after beach graduation, they'll get married, and she'll have six kids. Jennifer L. will graduate from WCU with her eyebrow pierced and married to some good looking guy. Christy C. will turn into a clubbing freak in Chicago. Melissa S. will marry Shawn and graduate from college, and all of my "scrubs" will get full basketball scholarships to good schools. Also Brooke L. will marry Ben S. and they'll have ten kids and live with her dad. Laura Beth W. will graduate from either NC State or UNCC with a degree in psychotic behavior and join me at the asylum.
- I, Cedric Baldwin, predict that Dana will finally develop some skills and do something, and Dee will perfect that running jumper.
- I, Robby Bennett, predict that I will be married and have two kids. Also, I will graduate from college and become a state trooper near Greensboro.
- I, Annette Boysworth, predict that the school will become over run by little green men who have fallen in love with all the teachers. The little green men will take the teachers and teach them their language, but the students already know it so they don't have to come to school. Also, while they are here they will make me their queen and we will terrorize Bill Clinton.
- I, Heather Braley, predict that Holly will hit a homerun, Brinn will grow some, and that I'll invent a new John Deere Tractor (Mr. Neal).
- I, John Brooks, predict that someday people will learn not to take me seriously, that State will never be the same after next year, that one day Mary K's favorite foods will be peanut butter and candy corn, that soon, Mrs. Hathcock will maim someone for sitting on "The Table," that Jason H. will realize that anarchy isn't the answer, that Grant H. will become a NASCAR driver, that the FBI will leave Ted Kazynski alone and realize that the Unabomber is Mike B., and finally, that one day Uncle Chuck will be set free and we will have a big "family" reunion.
- I, Alicia Brown, predict Lori A. will marry Tyrone, and Dutch will marry Edwin or Marcus.
- I, Melanie Faith Burgess, predict the Albemarle Bulldogs will win the conference championship in 1996-97. Jamie and Shawna will get married and have five kids.

I also predict that Eloise O. will never learn to play cards. Gary H. will start a gang fight in which everyone will die but him. I predict that Jennifer H. will become addicted to cards and open a casino in Vegas constructed entirely of legos. I predict that Jenny S. will never make up her mind about men, and Stacy S. will become a psychotic and join Renee and me in talking to the "voices." I predict that Brian H. will drive around the country in record time. (Speed? Of course not!)
- I, Allen Carpenter, predict that Mr. Moran will one day get a movie offer and become a multimillionaire but will keep teaching drama at AHS.
- I, Laura Cauble, predict that Eric L. will one day be the President of the United States.
- I, Stephanie Cooper, predict that all of my friends will miss my worrying and analyzing. Missja will win the race.
- I, James Cotton, predict Thomas Taylor will be arrested for hacking and sent to jail by the year 2000. Mr. Moran will never again get a good advanced drama class and will be sent to Charter Pines. Weiker might grow another inch.
- I, Michael Crowder, predict that global warming will make anti-freeze obsolete.
- I, Lisa Deppe, predict that Kristen B. will run into the guy that was driving the white Miata in the Food Lion parking lot. Dana will get tired of all the problems going wrong with her "Bug" and want to steal my car. Denise and I will go back to the beach and get bitten by copperheads by walking barefooted on the pier.
- I, Beth Donally, predict when Ced Baldwin leaves, all the sophomore and freshmen girls will be lost without him because they can't fight over him.
- I, Teshika Edwards, predict that Cytrina, Oralya, Lolita, and Deshanne will find a GOOD MAN!!!
- I, Sasha Eury, predict that Annette B. will always love big Chevy trucks and the guys that drive them, country music, and that she will never learn to drive safely.
- I, Shawna Euto, predict that Beth V. will come back to our 10 year reunion without a husband and that night she will be going cruising at Sky-City with Michael and Kari, but in the end she will find a man she really loves and no longer has to worry over a certain boy! Mary N. will drop out of Wake Forest when she realizes she no longer wants to be a nerd. Also, from a little help from his calculus buddies, Cedric B. will marry Dusty and have 10 kids.
