## Test Your Movie Skills

by Beverly Poplin

With the dreary, March weather set in, what's a better thing to do than relax and enjoy a good movie? Both old and new, both happy and sad — movies certainly have a captivating quality about them. Even though it may be gloomy outside, you can always lighten up your day with a good movie. Here are some quotes from some of my favorite films. Test your knowledge and see if you can guess what movie each of these came from!

1. "Are you going to do something, or are you just gonna stand there and bleed?"
2. "Dinosaurs eat man... Woman inherits the Earth."
3. "Looks like I picked the wrong week to quit drinking. Looks like I picked the wrong week to quit sniffing glue. Looks like I picked the wrong week to quit smoking...."
4. "Your mother was a hamster, and your father smelt of elderberries!"
5. "That's MY PUCK, baby! Don't you ever touch my puck!"
6. "Take me to bed or lose me forever."
7. "It all boiled down to one inevitable conclusion. I was just totally clueless."
8. "Would I like my drink in the can? (looks down the aisle towards the bathroom) No, I'll just have it right here, thanks."
9. "Like I've always said, if you don't have anything good to say, come sit by me."
10. "I'm just a little anxious to get up there and whoop ET's butt, that's all."
11. "Stupid is as stupid does, Sir."
12. "You cursed rat, look at what you've done! I'm melting...melting!"
13. "You have the ring. And I see your Schwartz is as big as mine."
14. "She makes me feel kinda funny...like when we used to climb the rope in gym class."
15. "You shot me. I can't believe it. They're giving you a medal for shooting me, you little prick!"

How did you do? Here are the answers:

1. *Tombstone*
2. *Jurassic Park*
3. *Airplane!*
4. *Monty Python and the Holy Grail*
5. *Happy Gilmore*
6. *Top Gun*
7. *Clueless*
8. *National Lampoon's European Vacation*
9. *Steel Magnolias*
10. *Independence Day*
11. *Forest Gump*, of course
12. *The Wizard of Oz*
13. *Spaceballs*
14. *Wayne's World*
15. *Speed*

Josh Hamara, Michelle Sides, and Wendy Stamper pick up a few lines while watching their favorite movie.

## Follow Your Rainbow

by Emily Nance

With Saint Patrick's Day approaching, thoughts of leprechauns and luck come to mind. In addition, everyone begins to search for the pots of gold at the end of the rainbows. I asked several AHS students what they would like to

find at the end of their rainbow. Here are some of their responses.

- Greg Nahrgang - my idol, Elvis
- Misty Caudle - Jon Claude VanDam
- Courtney Little - my boyfriend
- Kelly Freshcorn - no comment
- Beth Hathcock and Emily Rogers - our diplomas
- Jennifer Ingram - "bellisimos ojos" in a red bow
- Mark Purvis and Ben Smith - the demons on Valley Drive
- Jamie Kennedy - a 1997 Z71 truck in Bulldog Blue
- Hutch Kirkpatrick - a multi-million dollar mansion and a \$200,000 a year career out of college
- Angie Bell - true love and happiness
- Yashica Wall - a piece of mind
- Tina Maguylo - a fruit basket with bananas and grapefruit
- Jason Smith - a turtle
- Landon Pennington - blue lightning
- Jason Pinion - Jane-Jane
- Ross Stokes - "Big Funk" holding a Parchesi set
- Joe Mallory - an everlasting unlimited AHS hall pass
- Nikki Lilly - Channel One's Craig Jackson
- Jaime Cook - Daniel H. in a tux

Elvis awaits Greg Nahrgang at the end of his rainbow.

## Do You Suffer From Bad Luck Syndrome?

by Beverly Poplin and Emily Nance

Are you having trouble finding a date for the prom? Are you continuously failing tests? Perhaps you are suffering from the Bad Luck Syndrome (BLS). We have conducted an extensive survey on BLS by participating in several experiments concerning the turn of luck. Here are ten ways to change bad luck to good luck if followed exactly. You must continue to follow these hints for eternity, or your luck will quickly change back.

1. Pick up all pennies on heads, not tails, and keep them for the remainder of the day.
2. Take all tests with a green pencil.
3. Eat all the green skittles first.
4. Knock the painter off his ladder and tell him to move it. Whatever you do, don't walk under it.
5. When a black cat is approaching your path, clap your hands and yell really loud. (Odds are it will run the other way!)
6. Don't step on any cracks; they'll break your mother's back!
7. Don't just carry around a rabbit's foot; buy a pet rabbit!
8. Don't wear that lucky underwear everyday. You're more likely to get lucky if they are clean.
9. Eat Lucky Charms every morning for breakfast.
10. Set the date on your watch back one day so you'll never know when Friday the 13th comes.

### FULL MOON

Published nine times per year by the journalism class at Albemarle High School  
Member Quill and Scroll Staff

- Allison Hudson - Editor-in-Chief
- Kelly Rakes - News Editor      Kate Mabry - Features Editor
