The December meeting of the P.-T. A. was held Tuesday, December 6, in the school auditorium at three o'clock.

The meeting was called to order by the president. The secretary read the minutes of the last meeting. The treasurer gave her report. She reported that twenty-five dollars had been made from rummage sales. Another rummage sale was held December 17.

It was reported that sheets, pillow cases, and one pillow were needed for the restroom. Mrs. C. C. Potts donated four pillow cases and a pillow. The president offered to buy the sheets, which will be paid for out of the P.-T.A. funds.

The school has just received from an interested person the largest donation that has been given in a number of years. A gift of a hundred dollars was given through the president of the P.-T.A., Mrs. F. H. Potts, to be used as that organization and Mr. Summer think best. To that person who requested that her name not be mentioned, the entire school extend their thanks.

Immediately following the business meeting a musical was given by the Program Committee-Mrs. Summer, assisted by Mrs. Sue Hall, Mrs. DuPree and Mrs. Holt. The following program was given: Piano Solo: "Amaryllis", Angela Anderson; Piano Solo: "Canoe for Two", Barbara Zoellner; Piano Solo: "Lak a Rose", Jacquelin Aiken; Song: "Beautiful Dreamer", Mrs. Summer's pupils and Mrs. Jack Hall; Piano Solo: "Dutch Tulips Dance", Florence Waller; Piano Duet: "Bicycle Waltz", Mozelle Bryson and Virginia Edwards; Vocal Duet: Shubert's "Serenade", Mrs. Summer and Mrs. Hall; Piano Solo: Mrs. Holt; Piano Solo; Mrs. DuPree; Piano Solo: "Dance of the Midgets", Marie Neely; Vocal Duet: "Out of the Dusk with You", Mr. and Mrs. DuPree; Piano Duet: "June Caprice", Mrs. Summer and Mozelle Bryson; Piano Duet: "O Holy Night" and "Come all Ye Faithful", Mrs. Summer and Marie Neely; Carol: "Hark the

## HUMOR

**BRAIN TEASER:** The difference between two numbers is four. Three times the larger is two more than five times the smaller. What is the number?

(Answer next month)

Answer to last month's brain teaser. The full size piece of cheese weighs three pounds.

James: When I start up the hill with my Ford it never stops.

Eugene: That is the way my Chevrolet was until I fixed the breaks.

Mr. Summer: (Handing out test papers) Are there any questions?

Pupil: Yes, sir. I don't think I deserve zero today.

Mr. Summer: I don't either, but it is the lowest mark I can give.
