

HUMOR

Ticket Taker: Here, here, you two boys can't get in on one ticket.
Boys: We would like to know why not. We are half brothers.

Lady: I want a dress to wear around the house.
Clerk: How big is the house?

Judge: What is the idea of parking in front of a fire plug?
Lady Driver: Because the sign said "Fine for parking."

Scoutmaster: When you face the north you have on your right hand the Atlantic Ocean. What do you have on your left hand?
Tenderfoot: A wart, sir, but I can't help it.

"Thanks very much" said the minister. "I must call this afternoon and thank your mother for these eight beautiful apples."

"Please, sir, would you mind thanking her for twelve beautiful apples?"

Political Speaker: All we need now, my friends, is to keep a working majority.

Voice from Rear: You are wrong there. What this country needs is a majority working.

Doctor: How do you mean that you are worried, Mrs. Brown? Did you give your husband the sleeping powder as I told you?

Mrs. Brown: Indeed, I did, doctor. You said to give him as much as I could get on a nickel, but I had no nickel so I used five pennies, and he hasn't waked up for three days.

Customer: Can't you wait on me? I am in a hurry. Two pounds of liver.

Butcher: Sorry, Ma'm, but two or three are ahead of you. You certainly do not want your liver out of order.

Judge Gruff: Speeding, eh? How many times have you been before me.

Speeder: Never, your honor, I have tried a number of times to pass you on the highway, but my old car won't go over fifty miles an hour and your new limousine does eighty.

Geography Teacher: Now, class, remember Iceland is about as big as Siam.

Johnny: (In test paper) Iceland is about as large as the teacher.

Dzudi: Why does Missouri stand at the head of the mule raising business in this country?

Bunchunck: Must be because it is too dangerous to stand at the other end.
