

WILL BE in opposition to the sun, and nearest to the earth on July 27. At this time Mars will outshine all the stars and planets except Venus. The latter, however rises only a short time before the sun this month and is not in a favorable position for observation. Mars is in the constellation Capricornus and appears in the southeastern sky around 9 P. M.

Look for Mars these clear nights. You will be well rewarded for your trouble.

Mr. and Mrs. Victor Lamar Smith of Atlanta, and Mrs. Smith's mother, Mrs. William G. Goodrich, of St. Petersburg, Fla., are at the Hammond cottage on Spring Street.
