

MRS. CROSBY HAS HAPPY BIRTHDAY

Mrs. Martha Crosby of San Mateo, Fla., affectionately known to her friends as "Grandma", passed her 98th birthday anniversary very happily at the Crosby summer home on Fifth Street last Thursday. A number of close friends and neighbors called during the day to extend congratulations and to leave flower and candy, while a number of others who did not call sent tokens of remembrance.

Mrs. Crosby is the former Miss Martha Webster Alden, a descendant of John and Priscilla Alden; the eighth generation down.

Mr. and Mrs. J. H. Smith of Nashville, Tenn., are at their home, Clermont, on Satulah Mountain, and have as their guests Mrs. Smith's uncle and two aunts, Mr. and Mrs. Henry Schoolfield, of Mullins, S. C., and Mrs. R. B. James of Danville, Va.

J. R. Mobley of Atlanta has leased the H.W. Barnes summer home on the Walhalla Road for the month of August. Mr. Mobley's daughter, Mrs. Sims Bray, of Atlanta and other members of the family will be with him during the month.

Dr. L. D. Little of Thomasville, Ga., arrived last week to spend some time with his family who are vacationing at their summer home in Webbmont.

Mrs. A. J. Salinas of Augusta, Ga., is at her beautiful home, Kalallanta, for an indefinite stay. She has as her guest her cousin, Arthur de Vaughan, also of Augusta.

Guests of Miss Marguerite Ravenel last week were her nephew, Dr. William Duane, a noted neurologist, and his friend, Lee Allen, of Philadelphia. Dr. Duane is one of the founders of the Highlands Museum and Biological Laboratory and visited both while here. He is especially interested in the work being done at the laboratory this summer, and brought down a number of fish tanks which the workers have found very useful for their aquatic specimens.

Mr. and Mrs. W.A. Hays entertained their recent guests, Mr. and Mrs. C. J. Goodman with a picnic supper at Cliffside Lake. Mr. Hays and Mr. Goodman were roommates at North Carolina State College and members of the Hawaiian Music Club.

Dr. and Mrs. A.R. Harold had as their guests last week Mr. and Mrs. M. L. Haines of Miami, Fla., who were on their way to visit relatives in Carmel and Indianapolis, Ind. This was Mr. and Mrs. Haines' first visit here, and they were very much pleased with the place.

THE CHURCHES OF HIGHLANDS

Highlands offers a choice of four churches to those who wish to attend services on Sunday. All of these churches are located on Main Street and a short distance from the center of town.

Going west on Main Street one comes to the Methodist church, a white building close to the sidewalk, on the south side of the street. This is the newest of the churches, having been built about a quarter of a century ago. Although the pastor, the Rev. W. F. Beadle, has charge of several other churches in the neighboring communities there are services here every
