

CLASS NEWS

THE ELEVENTH GRADE

The Senior Class met on Tuesday, September 12, in the English room to elect officers for the year 1939-1940. The following officers were elected: President, Elmer McDowell; Vice-president, Mozelle Bryson; Secretary, Lucy Dryman; Treasurer, Garnell Miller.

The Eleventh Grade has selected class rings, which are yellow gold with the Highlands motto on a background of black onyx. We all think that they are very pretty and can hardly wait for them to come.

The Senior Class this year is small, consisting of only eight members, who are as follows: Lucy Dryman, Louise Speed, Margie Waller, Mozelle Bryson, Virginia Edwards, Garnell Miller, Herman Norton, and Elmer McDowell.

THE TENTH GRADE

The Tenth Grade is very glad to have two new members this year, Alma Penland and Mary Swain.

We are trying to learn to speak French this year. We have already learned to speak several expressions for use in the classroom.

We fear that Mr. Summer would have been minus a good coat the other day if Alma Penland had not told him that his coat was over a lighted lamp in Chemistry class the other day.

Wanted: More Chemistry books by members of the Tenth Grade. We will pay top prices.

THE NINTH GRADE

Miss Margaret Rogers, a former member of our class, is attending school in Dalton, Georgia, where she is now making her home.

Catherine Nollman, a student of Sebring High School, is attending Highlands High School until her family return to their winter home in Sebring, Florida. Catherine was a member of our class for a month last year, and we are glad to have her with us again.

The Ninth Grade enjoys the distinction of being the largest class in high school this year.

THE EIGHTH GRADE

There are twenty pupils enrolled in the Eighth Grade this year. I think the entire Eighth Grade likes high school better than the grammar grades. We all thought high school would be hard but it is very easy.

The only thing that we regret about high school is that we do not get a play period.

THE SEVENTH GRADE

The friends of Edna Wilson are sorry to know that she was taken to Angel's Hospital for an operation, but we are glad to learn that she is better.

The Seventh Grade has organized a club called the Good Citizenship Club. The Chairman is Lolita Holt; Secretary, Earle Young; Teacher's Council, Lewis Dendy; Maxie Wright, and Nancy Potts.
