

NEW ELECTRIC LIGHTING COMPANY
OPENS IN COBB BUILDING

The Highlands season is getting into full swing now, with new lines of business opening up almost over night. The newest of these is the Green Forest Electric Lighting Company, owned by Wade Sutton, of West Palm Beach, Fla., which has just opened in the Wilton Cobb Building (formerly Smith's Store) on Main Street next door to Highlands Inn.

A special feature of the new shop will be the artistic handmade lamps by Bob Lewis.
