

CORNER CUPBOARD - OTHER ANTIQUES  
AT DORA LAMB SHOP

The Dora Lamb Antique Shop at Highlands Inn has been redecorated in white, the white walls and white chintz curtains forming a lovely background for the Pennsylvania Dutch corner cupboard of cherry wood, with its original glass doors and brasses; the Hepplewhite inlaid chest of drawers of cherry, and the set of six Hitchcock curly maple chairs.

Then there are the Audubon and Gould prints, both framed and unframed; an entire volume of Lady Loudon florals, old silver, Bohemian glassware and quite a collection of Moss Rose china.

This is the shop's second season at the Inn, and Mrs. Lamb's careful selection is appreciated by antique lovers.
