SECOND GRADE

We are going to have a newspaper of our own. It will be printed every day and will be seen on our bulletin board. Our paper will be called "The Tattler" because it tells everything.

We went to Harris Lake on an Easter Egg Hunt. Cleo McCall and Richard Crane won prizes for finding the most eggs. We dyed the eggs ourselves in the school room.

THIRD GRADE

We have finished our scrap books and had them checked. The best ones were Tudor Hall's, Hazel Johnson's, Martha Howard's, and Leon Talley's.

Charles Wood

We had an egg hunt. We had a good time. L. B. Wilson won the prize. The prize was a ball.

FOURTH GRADE

The Fourth Grade enjoyed an Easter Egg Hunt on Friday afternoon, April the third. The prize winners were Effie Jenkins and Maude Talley.

We took a hike on April the sixth to study Nature. We saw many flowers and birds. We hiked around the Ravanel Lake section.

The Fourth Grade played the Fifth Grade in a game of basketball on April the seventh. They beat us 16 to 2.

Our spring freize is very pretty. In this freize we have tried to catch the spirit of spring. We show how the winds, the rain, the flowers, the birds, and the trees all make up spring. Those who worked on this freize are Effie Jenkins, Hazel McCall, Patsy Hays, Kathleen Potts, Margaret McDowell, L. C. Howard, David Eridgman, Maude Talley, Neville Wilson, Charlie, Ray Norton, Martha Holt, Mary B. Cook, and Ray Reese.

At last everybody has finished his geography notebook. The 7th Grade judged them and the prize winners were:

Effie Jenkins First Prizes
Patsy Hays

Mary B. Cook Second
Margaret McDowell Prizes
Hazel McCall

We are proud of our notebooks and hope to keep them always.

We have a corner in our room where only the best of art work goes. We call this our "Art Corner". Those who have done work worthy of this corner are:
