

THIRD GRADE

Wendy DeWolf and Missy Henry had birthdays this month. Meredith price spent the summer in Louisiana with her grandmother. Eric Shaffner's Uncle Ron has been here for a visit.

FOURTH GRADE

Anne Creswell and Melanie Keener have birthdays this month. Also Anne is going to the beach at the end of this month. Mark Bauknight went to camp Tuxedo, N.C. for 6 weeks this summer. Sandy Sabbarth visited her cousins in Gainesville, Ga. for a week.

Our whole class has memorized a poem called "Out in the Fog". Our 3rd grade is memorizing another poem now and so is the 4th grade. We are all learning about sea animals that the early explorers might have mistaken for monsters.

FOURTH GRADE

Some of us are going to Title One reading and math. It is fun to go and read and do math. Last month in health we wrote a paragraph about ourselves. We had the other 4th grade along too. It was a lot of fun, we all giggled and talked. We made faces in health, and the other 4th came in. We drew funny faces and plain faces.

This year we started soccer in P.E. It is very fun, we are running the obstacle course too. We have two new students in our class. Their names are Carl Dodson and Robert Munger. We have really been working. In math we have been doing sums, and differences, social studies we have studied the world, continent, country and states. In English we are doing sentences, in spelling we are doing short and long vowels sounds. We love the new playground!

FIFTH GRADE

In the morning we come in and tell some news that we've heard on the T.V. or read in the news paper. Then we do our spelling, then we do some math. Next is P.E. after that we do English. Then we go to lunch. After that we do reading, science, and social studies. Then we go home.

Every morning after Mrs. Wideman takes up the lunch money, she lets you tell your news. We copy the news off the T.V. and out of the newspaper. We have two new people in our room their names are Kristy Earp and Sean Tibblets. James Bryson is back.
