Albemarle High School, for the first time in its history, put a football team in the field this fall. It was a good team, and when playing in another town always showed them there was a real "man's high school down here."

Five games were booked at the first of the season, and out of this five our team won only one. But wait, don't think this tells everything. Four out of the five games were played with teams that have been playing football three or four years, Spencer, Concord, and Salisbury; teams that are now in the contest for the state championship were played by the Albemarle Highs, and you can bet your life it took the very best they had to keep Albemarle from mopping them up.

Thanks for the success of the team go to Messrs. Lee Morrow, "Lill"

Huckabee, and Doctors Lentz and Dunlap for coaching and developing the boys on the team.

The season is over now, and everyone is turning to basketball, but next year we hope to have a team that can beat Charlotte, Winston-Salem and Oh well! Decide for yourself.

**ALBEMARLE BOY
 SCOUTS BEATS BADIN**
 (Wilcox Brightwell.)

Friday, November 24, on the local school court, the Albemarle Boy Scouts basketball team beat the Eadin Scout team by a score of 16 to 13.

The game was most exciting, for throughout the contest first one side then the other was ahead. Albemarle scored the first point on a foul thrown by Marbry. At the end of the first half the score was 7 to 6 in favor of the locals.

When time was called, the score was a tie, 13 to 13. Two more minutes of play were given in which Albemarle scored three points. Badin failed to score, and when the two

minutes were up Albemarle was in the lead.

The lineup was as follows:

Albemarle 16		Badin 13
R. Mabry	L. F.	Hill
W. Horton	R. F.	Garrett
Morton	C.	Martin
Almond	R. G.	Devereaux
Kluttz	L. G.	Parish

Substitutes: Albemarle, Snuggs for Almond.

Referee: F. Marbry. Timekeeper: F. Coyette.

Basketball.

Hurrah! It's here!

What? The basketball season, of course. What else could make us as happy? The larger towns may run over us in football, but in basketball the name of Albemarle High School is to the big towns as dreaded as the name of Black Beard was in the days of '75.

That's right, you've just got to admit it. Just look at what the Albemarle Highs did during Thanksgiving week at the Older Boys Conference. They beat Winston-Salem, Greensboro, and Charlotte, and came back
