

Alumnae News

Mrs. B. F. Parham (Katherine Johnson), 1914, and Caroline Biggers, 1915, have contributed to the Twig fund, making a total of \$97.50.

It has been suggested that some of the alumnae have not given anything to the Twig fund because they do not know how much they are supposed to send, or to whom it is to be sent. There is no set sum. The Twig is sent to every member of the association and for the 576 subscriptions we are to pay to the Twig \$300. Of the amount \$97.50 is all that has been given. The twenty-five contributions have ranged from one to ten dollars. All that is not contributed must come from the treasury, in other words, we shall be using the reserve fund of the association for current expense—a disastrous policy. The money may be sent either to Mary Lynch Johnson, Meredith College, or Minnie Gosney, 327 E. Edenton St.

MEREDITH SLANG

Whether the slang used by some Meredith girls is of a better or of a worse type than that used by girls on any other campus of this globe is not for me to say. But I do know that often words spoken termed as slang change entirely a person's opinion of the one speaking. Every Meredith girl has heard time and time again, "Meredith is judged by you." Why not realize this and leave unsaid those things which taint the air and are so unbecoming in any one to say, much less a Meredith maiden, who should be a "light" if she is concerned in the least of the standard her alma mater holds aloft.

Margaret Eagles visited her sister in Salemburg Monday.

Katie Dail, Elaine Goode, Leon Warrick, Dot McBrayer and Margaret Wheeler went to Davidson Thursday to the Press Association.

Margaret Cone Tucker spent the week-end in town.

Annabelle Abbott and Minnie Herin attended the Y. W. C. A. Council in Charlotte last week.

When you forget your fountain pen and must retrace your weary footsteps all the way back to your room, hum "Smile the While." When you have to go to gym and you wish you didn't, just imagine you're a soldier brave marching toward the trenches and be sure to sing "Pack Up Your Troubles." Practice what you sing and forget what you would have said. Surely, the English language is large enough to express any kind of an emotion any one might experience in any lifetime. So, Meredith, let us, one and all, rebel against the slang used in the rush at the "mail-time hour."
