

### ANNUAL BARBECUE HELD IN GROVE

(Continued from page one)

other table was provided for the faculty, trustees, and friends of the College. Surely they enjoyed the happy event as much as the students did. The relationship between faculty and students seemed strengthened by coming together for a very pleasant social hour.

Needless to say every one enjoyed the occasion very much and an expression of gratitude is due those who made this event possible for all. The barbecue was certainly a great success this year as may be testified to by the large crowd which attended. It will be looked forward to each year and will be long remembered by those who go out from Meredith.

### VESPER SERVICE CONDUCTED BY Y. W. A.

(Continued from page one)

The main feature of the program was a pageant entitled, "What a Freshman Learned." In a very unique and interesting manner the value of our Y. W. A. was shown—how much more college life will mean to us by becoming members of the Y. W. A. and doing some real work for the Kingdom of God. The pageant portrayed a Freshman looking ahead four years and seeing those who had been a failure or had not received the most benefit from their college training. Then finally Y. W. A. workers were introduced—those who worked and received the greatest things that college could give them—desire of service in God's Kingdom.

### "ROSE MARIE" ENJOYED BY MEREDITH GIRLS

enjoyed by all who attended. The characters were most skillful, and along with the elaborate costuming and wonderful music, it seemed to be almost a superfine production. Among the most outstanding songs were "Rose Marie," "Indian Love Call," "Totem Tom-Tom," and "The Door to My Dreams."

of higher things, and to cause us to lift up our eyes to Him, and praise His name. The keynote of the conference is *Christ, Master of My Generation*.

Where there's a will, there's a way! Are you with us, or did you not hear the call that came to you?

If any of you are interested in this trip, see Mary Frances Biggers for further information.

### FRESHMAN CLASS ORGANIZES TEMPORARILY

weeks, was chosen, by general acclamation as Freshman Representative for Student Government. Lula Moore Suttle was selected as vice president, and Sarah Barkwell, secretary, and Nell Hord was selected as treasurer.

Frances Fulghum, a peppy young "Rat," was unanimously chosen cheer leader. Frances selected as her assistant, Vinalie Lineburger.

The Freshman class is strong in spirit as well as in number, and we are proud of them. So, here's to the class of '30!!

### B. Y. P. U. WORK BEGINS WITH STUDY COURSES

(Continued from page one)

to lead the young B. Y. P. U's to greater service.

Dr. Morgan was there each night with something worth while from the book "General Organization." Our campus benefitted much by the study of that book last year, and it will be a great instrument in helping our general work run smoothly this session.

This was indeed a banner year in this new department at Meredith College, and the pupils, which numbered over two hundred, have been filled with a desire to do better B. Y. P. U. work. Here's hoping that the next session of B. Y. P. U. training may be even more successful than the past, if possible; that every girl in the College may enlist in the endeavor to make Christ our campus commander.

### EX S. G. PRESIDENT SPEAKS IN CHAPEL

(Continued from page one)

Every one listened intently as Winnie read and explained Psalm 45:16, "Instead of thy fathers shall be thy children, whom thou mayest make princes in all the earth." In simple, yet forceful words, she told us that we are princes and as such that we should exemplify Christ, the highest example of goodness and of all princely attributes, in our lives; that

we should strive to follow Him, because it is through us, as the leaders of tomorrow, that Christ's work is to be accomplished; and that we should go forth with courage to arouse by our nobleness the nobleness which lies dormant in others. So great was the religious atmosphere produced that Dr. Brewer deferred making all announcements lest the spell should be broken. Thus we went to our classes with this message on our hearts.

Finally, we must acknowledge that not only the message, but the person delivering it produced this reverent atmosphere. We knew that her life backed every statement she made. Then, too, it is easy to listen attentively to one that we all love as dearly as we do Winnie. We realize what she has meant to Meredith and we welcome her at all times to our campus.

### JOKES

The light was dim, they were so close to each other, oh, so close—those two peanuts in that peanut shell.

Prof. Riley: "And where was Sheridan when he took his famous twenty-mile ride?"

Edith Rowe Grady: "On a horse."

Prof.: I believe you missed my class yesterday.

Student: Why, no I didn't, dear sir, not in the least.
