

ECHOES FROM RIDGECREST

were boys and girls from nearly all of the southern states, and quite a number of student secretaries from the different colleges. Besides, Mr. Preston who was director of the conference, there were a number of well-known and interesting speakers who addressed the conference on various topics of vital interest to college students and active or prospective members of B. S. U. councils in particular. There were meetings in the evenings as well as the morning, and a very uplifting and instructive week was the result.

B-HIVE BEST KNOWN UNIT ORGANIZATION OF B. S. U.

(Continued from page one)

is not essentially a religious organization, it is maintained and managed as conscientiously as if it were.

It is the business and purpose of our store to make college life here more pleasant by keeping in stock necessities as well as other things not so essential but very desirable.

Without the cooperation and patronage of the Faculty and Student Body the success which has been ours this year would not have been possible. The Baptist Student Union appreciates the support of the college community. It is indebted to the B-Hive committee for its service during this year. Especially do we extend our thanks to Mr. E. F. Canaday, our faculty adviser, who has spent much of his time helping us solve our problems.

This year has been a good year, but we are looking forward to the realization of bigger things in the future. With a new manager soon to take charge, whose ability and competency have already been proved, there is no doubt that the B-Hive will grow. To the new manager, Miss Elizabeth Apple, we pledge our support and wish that for her the B-Hive will always be buzzing.

and inspiration. Some of the members are volunteers for full-time Christian work; all of them are seeking to put Christian service first in their lives and to serve wherever they see the need.

The officers of the Band this year: are Lucy Bennett, president; Ruth Sorrell, vice president; Vida Miller, secretary; and Doris Hewlitt and Mabel Beeker, group captains. The president for the year 1929-30 is Mabel Beeker. Mabel was chosen because of her loyalty in service this year, her interest in Christian work, her ability, and her consecration. It is believed that she will lead the girls in the Home Service Band to larger service.

highest average in her Freshman class. Her executive ability has already been proved, for she has done consistent

and efficient work as the president of the Charles E. Brewer Union in the fall of 1928, and Y. W. A. president for the year 1928-29. Besides her activities in the religious organizations, she has been associated with THE TWIG Staff for two years.

To her scholarship and executive ability add Marguerite's personal charm and cheerful sympathetic friendliness. Such a combination of talents cannot fail to find their finest expression in the organization which correlates the religious activities of Meredith College.

Besides having achieved many things in the religious life of the College Miss Elliott endears herself to all who know her by her sincere thoughtfulness and helpfulness at all times. The Meredith College student body is fortunate to have such a leader to whom it may turn on any occasion.

are members of the National Student Volunteer Movement. The group holds semi-monthly meetings. Its programs are centered around the book, "Christian Voices Around the World." In recent meetings the board has used direct messages from the mission field as a basis for study.

Under the new leadership for the coming year, the members are hoping to increase the missionary zeal and activity on the campus, and throughout the whole world.
