

CLUB NOTES

Barber Science Club

R. R. Brown of the State College Electrical Engineering Department spoke at the first meeting of the Barber Science Club on the subject of "The Atomic Bomb." The meeting was held in Room 16 of the Science Building on Tuesday, October 9, at 8:00. At this first meeting of the year, the following new members were taken in: Jeanne Arthur, Dorothy Bealand, Dorothy Howerton, Mary Martin, Mary Riddle, Rosa Deans, Sara Fleming, Susan Fleming, Hepsie Utley, Elizabeth Hardison, Lois Marie Hammond, Nell Hirschbery, Jacqueline Landfear, Jane Middleton, Harriet Neese, Marcelene Simmons, Evelyn Stallings, Catherine Wishart, Sue Betty Chapman, Anne Hughes, Eloise Landcaster, Naomi Pugh, Ila Shearon, Etta Hooper, Irene Holland, and Virginia Warren.

After the address, refreshments were served.

The officers of the club for this year are president, Dorothy Tippet; vice president, Hazel Goodwin; secretary, Jean Griffith; and treasurer, Zelma Murray. The regular meetings will be on the second Tuesday of each month.

Tomorrow's Business Women

Tomorrow's Business Women held its first meeting of the year Tuesday, October 9, at 7:00 in the Game Room. Olema Olive, president, took charge and introduced Mary Currin and Annie Wray Perkins, who were graduates of the Business Department in 1945. Both girls gave the club accounts of their duties in their present positions. The club plans to hold meetings the fourth Tuesday of each month.

Student League of Women Voters

The first meeting of the Student League of Women Voters was held Friday, October 12, at 5:15 in the Rotunda. Dr. Alice Keith, adviser, gave a welcome to the group and explained plans for the coming year. Amy Wyche, president, called the meeting to order and Betsy Dell Maxwell was in charge of a program on women's right, beginning with the emancipation of women and bringing the discussion up to present times.

Helen Hull Law Classical Club

The members of the Helen Hull Law Classical Club held their first meeting of the year on Friday, October 26, at 6:45. They took a trip up to "Mt. Olympus" for an hour of fun. New members were received into the club. The club officers are Melba Long, president; Marcelene Simmons, vice president; Barbara Shellsmith, secretary-treasurer; and Doris Harris, program chairman. Mary Esther Sadler is the publicity manager.

The Little Theater

The Little Theater held its first meeting of the year in the "Hut" October 16, 1945. New members and pledges were welcomed into the group by the president and a special invitation to become pledges was extended all freshmen interested in Little Theater work.

The business session consisted of the appointing of several committees to get the projects and regular duties of the Little Theater started. Helen Hall gave a program recounting the history of the Meredith Little Theater, and then the club had a social hour.

Home Economics Club

On Thursday, October 4, in first floor Jones social room, the Home Economics Club held its first meeting. At this meeting, everyone became acquainted by playing a game of autographs. Then the president, Gwendolyn Krahnke, presided over the business session in which the club decided to have the last Friday in each month as the regular date for the meetings. The time will be 5:00.

After the business session, Hazel Johnson led a discussion in which each person told what she did during the summer. The meeting was adjourned after the girls sang several songs together and had refreshments.

Sports Review

By RUTH MARTIN

Are you getting an hour of exercise every day. If you just have not been able to tear yourself away from those books, why not give some of the extra-curricular activities on campus a try just to see how much you can enjoy yourself.

At the present time there are several activities going on which you are probably aware of and just have not got up enough energy to do anything about or maybe you thought that you should have no part of a certain sport because you did not know a great deal about it. Well, all I've got to say about that is that you really do have the wrong idea. Why, you know somebody told me the other day that all the archery equipment was new and ready to be used and that the regulations for shooting were on the A.A. bulletin board; but then they informed me that whether you can hit the target or not is not the important thing, but

just the fact that you go out to have fun is the main concern.

They told me that ping pong tables were set up in the game rooms on second floor Stringfield and third floor Faircloth for that same purpose—having fun!

Of course if you really are an eager beaver and want to get yourself tired down good, try a game of hockey. It is played on Tuesday, Wednesday, and Friday afternoons at five o'clock. We'll guarantee to give you a good work-out that will make you feel lots better.

Now if you don't want anything quite so strenuous, why not try a game of tennis or badminton; we're sure that you'll find them plenty active for those weary bones of yours! Tennis courts are ready to be used any time you have spare time and the badminton equipment is always up in the gymnasium.

The last activity to be mentioned is horseback riding, which may be what lots of you have been waiting for. This news is definitely authentic in that it came from Miss Peterson herself. There will be six recreational riding periods a week; that is, outside of class periods. If you desire to ride during one of these periods, make arrangements to do so with Miss Boggess. There will be one such period every day and several on Saturdays. Everyone whose riding permission is in is eligible to ride. The thing that really tests your courage is not whether you fall off or not, but whether you can get back on when you do take a spill!

Well, this is about all they told me when they were giving out the information, but I'll bet you could find out lots more if you come on out to play.

WITH THE FACULTY

It was recently learned that Mrs. Carlyle Campbell, who has been unable to walk since an operation on her foot September 6, is much better and will probably soon be able to be out again.

Clayton Charles, former Meredith art professor, who has been on leave of absence in the Navy since the spring of 1943 is expected to return to Meredith next semester.

The mother of Miss Myrtle Barnette is improving after a serious illness and has now returned home from the hospital. Her illness made it necessary for Miss Barnette to be away from the College for several days.

Victory Bond Drive Announces Eleven Billion Dollar Goal

During the Victory Bond Drive which will be conducted throughout the nation from October 29 through December 6, the Meredith faculty, staff, and students are asked to lend their support to make the drive on the campus a success. Each is asked

Girls, here are two more items to be tacked on the closet door.
