

Sports-the life

By B. J. JOHNSON

The Meredith College Equestrian Group staged successfully its first horse show on April twenty-sixth. The Gymkhana presented riding classes not only from Meredith College, but also from St. Mary's School, Peace Junior College, and younger students from Raleigh. The winning Meredith students were: Judy Powers, winner of the doughnut eating contest, to whom a blue ribbon and decorated doughnut were awarded; Betty Jean Johnson, winner of the Lone Ranger Contest, to whom a gun and blue ribbon were awarded; Marty Davis, first place winner of the championship college student's horsemanship; and Ernelle Stanfield, second place winner of the championship college girl's horsemanship. Mary Lou Dobbins, Sunshine Bellamy, Patsy Abernathy, Dorothy Cox, and Marianna Morris defeated St. Mary's in delivering the mail bag in the Pony Express Relay Race. Those girls honored by being chosen to compete for the championship college student's horsemanship were: Bette Linney, Marty Davis, Peggy Patrick, Mary McCoy, Ernelle Stanfield, and B. J. Johnson. Miss Boggess, who planned and instructed the Gymkhana, gave an exhibition of jumping.

Pull out your tennis racket and balls and come on out to the tennis tournament that begins today. No, you do not have to be too advanced, for under the present plan we are having an intermediate and a beginner's tourna-

ment. Five and one-half hour practice periods are required for participants.

Come on out to see the softball game starting Monday between the Sophomore-Senior and the Freshman-Senior classes on the Athletic Field at 3:00 p.m.

Miss Cunningham's reports that the senior life saving course participants are really making progress, for they are already learning breaks.

The special period of recreational horseback riding is held every Monday and Thursday from 5:00 p.m. until 6:00 p.m. Please see Miss Boggess if you are interested. Those planning to go on the sensational overnight trip to Crabtree Creek that the Equestrian Group has planned, please consult Miss Boggess also.

Congratulations Miss Cunningham on getting your national rating as an umpire in softball!

Meredith Alumna Writes To Club

Perhaps many of you have heard of Kazue Murats, now Mrs. Mizaguchi, who graduated from Meredith in 1939. She came to our country from Japan, where she had had some previous college training. She came to Meredith as a Junior after having been at Dodd College in Louisiana for her first college training in America, which consisted largely of work in English. Her major at Meredith was home economics.

Kazue made a real contribution to college life while she was here. Very interested in the (Continued on page four)

Judd, McDowell To Speak At Exercises

The commencement exercises for the 1947 term will begin Friday, May 30, and will continue through Monday, June 2.

Dr. Edward A. McDowell, professor of Religion at the Southern Baptist Theological Seminary, will deliver the Baccalaureate Sermon at 11:00 a.m., Sunday, June 1. Dr. McDowell has been working in New York for the past year, but he will return to the seminary soon.

The speaker for the commencement address, Monday, June 2, will be Congressman Walter H. Judd, who delivered the address at Meredith last year. Congressman Judd was born in Rising City, Nebraska, and received his A.B. and M.D. from the University of Nebraska. For some time he was instructor of zoology at the University of Omaha. He was traveling secretary of the Student Volunteer Movement from 1920-1924 and later served as a medical missionary under the Congregational Mission Board. When he returned to the States, he lectured throughout the States on the American Foreign Policy and interests in the Pacific. Until 1943 when he was elected to Congress, he was a physician in Minneapolis. Dr. Judd is a member of the Ameri-

HUT COMMITTEE REVEALS PLANS

Bees have put a buzz in my ear that the days when couples can be found sitting on the back steps of the Hut are coming to a finis. This little flower has heard that the time is almost at hand when every Jane and — (well, we won't say it) can drop in the Hut without the usual red tape — by the front door, too — and play a game of ping pong, listen to records, or even display some of those culinary talents. Maybe the State boys can cook at least!

June Patterson and her committee with the aid of a Hut friend of ninety dollars and that valuable dollar donated by all you lucky people who own keys (to your room that is) have been working to make the Hut one of the most attractive places on the campus. Cabinets are being built in the kitchen, and Mr. Martin has added a new refrigerator and electric stove. He had an eye for business! Cooking utensils and dishes are to be added to those cabinets by the way.

You'll soon see new draperies in the living room of the Hut, pottery on the mantel, new records and magazine subscriptions, a ping-pong table and other games. The seniors are adding a table, mirror (for the ladies after—whew), and a coat rack in the front hall.

The Student Government council is working on Hut regulations in hopes that you and your date, your suite perhaps, or even your favorite club can plan get-togethers in the Hut more often. Bzz-z! Maye I'll see you there soon, we hope!
