

# Dr. Tribble to Lead Group

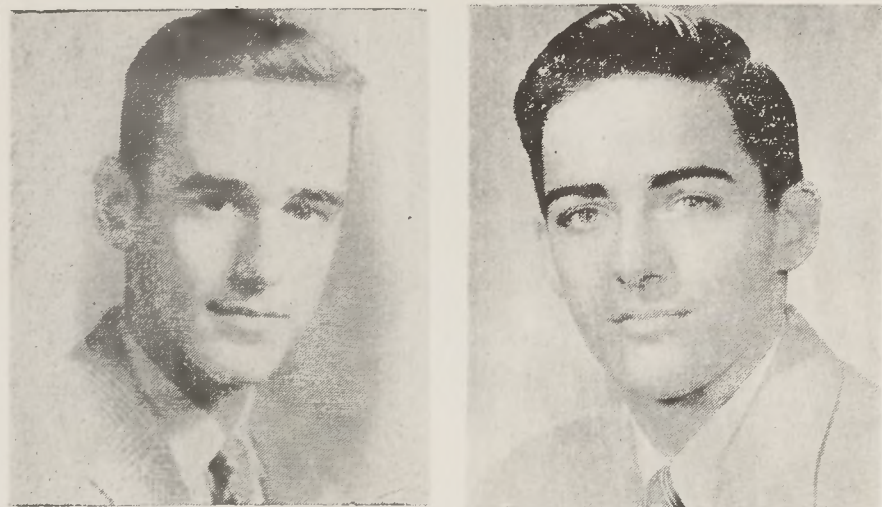

A discussion group on the basic fundamental doctrines of the Christian faith will be held next Tuesday, Wednesday, and Thursday nights, Oct. 12, 13, and 14 at 7:00 p.m. in Phi Hall. Dr. Blackburn, pastor of the Wake Forest Baptist Church will lead this series of discussions. He is a graduate of Wake Forest College, and the Southern Baptist Theological Seminary where he received his Th.M. and Th.D. He was in the Department of Theology under Dr. Harold Tribble whose book *Our Doctrines* will be used as a basis for the discussion.

As a result of Focus Week last year it was felt that there was a definite need to have discussion groups throughout the year to stimulate thought, arouse questions and give answers to problems that students have. This is the first such group being planned for this year. Those people who wish to get credit for this in their Training Union may do so, but with or without credit this seminar should be a contribution to anyone's Christian thinking and living.

## State, Meredith B.S.U. Party

Who? The B.S.U. at State College. Where? Phi Hall. When? Friday night, September 24. What? A party honoring the freshmen of State and the freshmen of Meredith. Yes, the Baptist Student Union of State College took over the fascinating job of playing Cupid when it joined with the Meredith B.S.U. in giving a party for the freshmen on September 24 in Phi Hall. Approximately three hundred newcomers to Raleigh—two hundred boys and one hundred girls—saw for the first time a performance by the "Andrews Sisters" of State College. When this same group of students divided into smaller groups, Phi Hall became the scene of rivalry between groups involved in various games. The serving of delicious refresh-

## Lily Pons Gives Durham Concert

Lilly Pons, world-renowned coloratura soprano of screen and concert stage, presented a concert in Page Auditorium at Duke University, Tuesday evening, October 5. Duke was her first stop for this season's concert tour which will carry her through all parts of the United States, ending in Montreal. In late April Miss Pons will sail for Europe for appearances at the Paris Opera House, and for concerts on the continent and Great Britain.

Miss Pons' program at Duke consisted of compositions by Pergolesi, Rachmoninoff, Bachlet, Debussy, Ravel, Verdi, and LaForge. Her program ended with the famous aria, *Caro Nome* from the opera *Rigoletto* by Verdi. This is one of the most difficult and exciting of coloratura arias. Miss Pons exhibited great skill in the performance of

this aria. She possesses a beautiful voice which is thrilling to hear, and was very warmly received by the audience.

Mis Pons was accompanied at the piano by the famous composer and pianist, Frank LaForge, who has been her accompanist for the past ten years. Mr. LaForge played all the numbers from memory. Miss Pons was also accompanied on several numbers by Frank Versaci, flutist.

A group of twenty-six Meredith students were privileged to attend the concert. They made the trip on a chartered bus and were accompanied by Miss Beatrice Donley.
