FOLK DANCE GROUP UNDER MISS PETERSON SHOWS AMAZING GROWTH IN SEVEN YEARS

The Meredith Folk Dance Group, under the direction of Miss Doris Peterson, has grown in seven years from a group of 16 not-too-willing girls to a group of 52 dancers performing the more advanced European and American folk dances.

Although unable to accept all of its invitations this year, the folk dancers, with the aid of Miss Beatrice Donley, have presented Christmas programs at the Raleigh Woman's Club and in Angier and Smithfield. Spring programs have been given at Durham, Needham Broughton

A WORD TO THE WISE

Say you've had your eye on that perfect room with all the comforts of home? Say that's where you want to live? Well, best you get busy and get your \$25 room deposit into the Bursar's office 'cause without that little receipt your efforts are futile.

If, perchance, you have found your ideal room and want to stay there, you should have trucked down to Miss Grant's office on the 17th or 18th of April. Juniors wishing to sign up for new rooms may do so on the 24th and 25th.

Sophomores have their chance on May 1st and 2nd and the Freshmen can take their pick of what is left on the 8th and 9th. All room registration will take place between 9:30 and 10:30 A.M. on Mondays and Tuesdays.

High School and the State Hospital. The group plans to end its season next month with participation in the May Day festivities and the Raleigh Music Festival.

This year the group presented 22 dances at their annual concert on April 1. Eight of these dances were entirely new this year. Others have been presented in previous years by the dancers and a few, such as the Highland Fling, are perennial favorites and are performed every year. The approximately 700 pieces of costume used in the April 1 concert were cut out and fitted by Miss Peterson herself.

Membership in the Meredith group is limited to those receiving an A or B in Beginning Folk Dancing. Many of the girls which have been and are in Miss Peterson's group teach folk dancing in summer camps and in high school physical education classes as a result of experience gained in the group.

Pribbles and Prabbles

By MICKY BOWEN

Since it is a well-know fact that college girls don't wait for spring to turn their thoughts to love, we are hoping you can all devote your excess fancies this season to *Everyman*. The play, of course. The most famous of the morality plays, especially at Meredith College, is being presented by the Little Theatre as the spring production. Spring, that is, and we'd better be having more of it than we've been having lately, because this play is being done with the blue sky for scenery—we hope.

There will be room for everyone interested to take a part, big or small, in this production. The student production of *Lima Beans* given in chapel recently was a very successful experiment in abstract drama and was well received by the audience. The common conception that drama must be like life to be entertaining was certainly belied by the delightful little play. We hope that there will be more like it.

When things calm down and stop happening all at the same

time, you'll hear from us again. 'Til then, here's to that empty chair beside you!

Graham & Sons State College, Pennsylvania

In State College, Pennsylvania, the favorite gathering spot of students at Pennsylvania State College is Graham & Sons because it is a cheerful place—full of friendly collegiate atmosphere. And when the gang gathers around, ice-cold Coca-Cola gets the call. For here, as in college haunts everywhere—Coke belongs.
