

More Solutions

(Continued from Page 2)

5) No matter who you are, food will definitely help.

OOPS! You must've eaten in the dining hall! Big Mistake. Or else you absolutely ruined your diet.

6) Since the diet is now dead, personal improvement in some other area may be helpful.

7) Try a little light reading.

If the reading doesn't help much, maybe you'll at least
8) Fall asleep!

Hard to please, aren't you? Well don't get so upset that you go out and do something naughty.

You may end up feeling even worse!

How about a social excursion.

9) Try meeting people (men) by going out dancing.

Of course, if the guise of "being out just to dance" fails, there's always

10) The direct approach.

Be Mine!

Maybe you'll have better luck than most folks!

11) Music is supposed to calm the savage soul. Try a little blaring B-52's.

You don't like the B-52's? How un-American!

Well, if you make the Sinatra option, keep it to yourself!

Hopefully, some of your tension is relieved. Otherwise, Fall Break is only 25 days away!

“Do not do unto others as you would they should do unto you. Their tastes may not be the same.”

George Bernard Shaw
(1856-1950)
Man and Superman
