

CAPE COD SUMMER JOB OPPORTUNITIES

... including the islands of Nantucket and Martha's Vineyard

BARNSTABLE, Mass.—The resort areas of Cape Cod, Massachusetts, and the offshore islands of Martha's Vineyard and Nantucket are experiencing a growing problem in finding summer employees to properly service a rapidly expanding tourist and convention industry.

While seasonal jobs will be scarce elsewhere this summer, Cape Cod and the Islands will be offering over 55,000 good summer jobs in 1983. Most require little or no prior experience.

Because it is impossible to fill these jobs with local residents, most of whom make up the year-round work force, it is neces-

sary to draw heavily from other geographic areas to satisfy this seasonal need.

As in the past several years, the Cape Cod Summer Job Bureau has coordinated an effort to assemble all pertinent facts on available summer employment and has published this information in a concise directory of summer job opportunities listing over 100 categories, some of which follow:

Lifeguards, swimming instructors, beach maintenance; camp counselors, craft instructors; island ferry crews, deep sea fishing party boats, scenic railroad crews; yacht clubs, marina

work, sailing instructors, charter cruises, scuba diving, salvage work, etc.; resort hotels, food service, restaurants, culinary, bartenders, waitress/waiter.

Also, summer police (uniformed), security guards; groundswork, property maintenance, greenskeeping; carpentry, house painting; tennis and golf instructors; tutoring, governess, live-in helpers, etc.; summer stock theatre, stage hands; musicians, band members; retail sales—gift and antique shops; museum and aquarium staff; airport personnel;

Also, taxi drivers and chauffeurs; hospital work, nurse's

aids, etc.; auction houses; kiosks for selling own crafts; fast food & bakery personnel; fishing and shellfish industries; newspaper work (circulation, etc.); and secretarial/clerical positions.

Hiring has already started in many job categories.

The sole function of the Cape Cod Summer Job Bureau is to make available the names and addresses of local employers who hire extra summer help, with job descriptions and numbers of employees needed in each

category, and a useful cross-reference map of the area. The Job Bureau is not an employment agency, and therefore charges no fees to employers or employees.

Included in the directory is a listing of summertime educational opportunities, academic courses for college credit, as well as cultural classes in music, theatre, and the arts.
