Chairperson of Judicial Board

Ann McKee

Name: Ann McKee
Position filed for: Chairperson of Judicial Board
Qualifications:
 I served as a Judicial Board Representative for my Sophomore Class. My Junior year I represented Meredith as the Solicitor General to the Judicial Board. The experience I gained this year as a legal intern to the Chief Justice of the North Carolina Supreme Court has given me the ability to view the position of North Carolina's highest judging body and relate the laws of this state to the laws and procedure used in our Judicial System. I feel these experiences are necessary to construct my credibility, but the most important qualification for anyone considering a position on the Judicial Board especially the Chairperson is their dedication to the principles of our Honor System and the ability to look at any situation with objectivity. I feel I can offer this to Meredith and our Judicial Process. Meredith College and her citizens are very important to me, and I feel I can serve them best as the Chairperson of Judicial Board for 1983-1984.

Secretary of Judicial Board

I am confident of my qualifications, organization, efficiency and dependability; all of which are necessary to perform in the capacity of Judicial Board Secretary. Thank you for your support.
