Meredith College assumes that failure on the part of any student to specifically request the withholding of categories of "Directory Information" indicates individual approval for disclosure.

Annual Notice

Annually, Meredith College informs students of the Family Educational Rights and Privacy Act of 1974. This act, with which the institution intends to comply fully, was designated to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failure by the institution to comply with the Act.

Local policy explains in detail the procedures to be used by the institution for compliance with the provisions of the Act. Copies of the policy can be found in the following offices: Admissions, Registrar, Dean of Students, and Career Placement Services.

The full policy will be printed in *The TWIG*. The offices

mentioned also maintain a Directory of Records which lists all education records maintained on students by this institution.

Questions concerning the Family Education Rights and Privacy Act may be referred to: Mrs. Marie Capel in Career Planning Services office located in Cate Center.

Grants Provided

The North Carolina General Assembly has passed legislation that provides grants for residents of North Carolina to attend private colleges and universities. The appropriation for 1983-84 will be a maximum of \$750. In order to qualify for the grant, each student must file an application and satisfy the requirements as specified in the legislation. Application forms are available in the Office of the Registrar. Deadline for filing the application is September 15th. If you have questions, please contact the Registrar.

Dates to Remember

Wednesday, September 21 is the last date to drop a course with a "W" grade. It is also the last date to make a grading change: from credit to audit, from audit to credit, from regular grading to pass-fail or from pass-fail to regular grading.

Wednesday, November 30 is the last date to withdraw from a course.

Transcripts

Did you attend summer school at another college this summer? Did you request that that college send a transcript to Meredith? If you answered yes and no, please have the other college send a transcript to The Office of the Registrar, Meredith College, 3800 Hillsborough Street, Raleigh, NC 27607-5298. You should do this immediately: your order of preregistration for the spring may depend on it.
