Netters End Season With A Win

by Amy Gupton

The Meredith netters ended their season with a 5-4 win over Methodist College on October 17. Adrienne Gore and Amy Messick were the only two out of the top six players who traveled to Methodist.

Adrienne Gore won her match 4-6, 6-0, 6-4 against Leslie Dees. Dorraine McConnell defeated Amy Messick 7-6, 6-2. Jessica Perry downed Daphne Gant 7-5, 6-3. Kelly Fulcher took her match 6-2, 6-1 over Emily Carter. Carol Wiertsema was

defeated by Becky Burleigh 6-4, 7-5. To finish out the singles Beth Cunningham defeated Jill Stocke 3-6, 6-3, 6-4.

Gore and Messick won their match over Dees and McConnell 7-6, 6-4. Perry and Fulcher were downed by Gant and Carter 0-6, 7-6, 6-2. Julie Johnson and Gore lost a tough match to Burleigh and Stocke 7-5, 4-6, 7-5.

The Twig would like to congratulate the Angel netters on an outstanding season.

Winterthur Program

their degrees by the time they enter the program. Preparation for the program usually involves study in the fields of American art history, history, literature, or American studies. Combinations of any of these fields with study in the so-

cial sciences and interdisciplinary majors are highly regarded. *The aptitude portion of the Graduate Record Examination, required of all applicants, must be taken no later than December. All application material must be received by February 1.*

Entrance to the program is only by appointment as a Winterthur Fellow. Fellows receive tuition scholarships from the University of Delaware and hold the Lois F. McNeil fellowships. *The fellowship stipend is \$6,625 per year (1985-1986) with an increase of approximately five percent expected in 1986-87. Approximately ten fellowships are granted by the Winterthur Fellowship Committee each year.*

their warmth, and loves the community spirit of the old neighborhood where people sit on their porches and speak to you when you walk by. She said that when she married she wanted to keep her maiden name as a writer and the hyphen was the best way to do that.

GOLFERS TRAVEL TO DUKE

by Amy Gupton

The Meredith golf team traveled to Duke to play in the Duke Invitational Golf Tournament. The tournament was a three day event, October 18-20.

Kim McMurray shot an 86, 79, 80 for a total of 245. Shelly Paul's three day total was 265, her daily scores were 89, 85, 91. Jennifer Guyer shot an 89, 98, 96 for a

three day total of 283.

Guyer stated that the course was in better shape than it had ever been. She also said that she looked forward to playing in the tournament again this spring.

The Twig would like to send its congrats to the golfers for their fine season.

Focus On

JONELLE DAVIS

by Kim Allen

"The club is not just for religion majors, it is to promote interest in current religion events," explains Jonelle Davis, President of the Freeman Religion Club. Aside from making students aware of religious events, the Freeman Religion Club also co-sponsors the Breakfast Club, a short devotional time held on Tuesdays at 7:30 a.m., with MCA.

As president of the club, Davis is responsible for arranging meetings and delegating authority. Davis commented, "I have a really good secretary, Lisa Ingram, and I work with her to publicize the meetings and the programs." She also works with Dr. Crook, the advisor, in planning events such as, the annual Crook out, held at Dr. Crook's house. This is for all faculty members of the Religion Department and any interested students.

Aside from serving as President of the Freeman Religion Club, Davis was elected to serve as Chief Student Advisor. She also serves as a student assistant in the Religion Department and is a member of the Psychology Club and the Granddaughters Club.

In her spare time she enjoys all water activities and traveling. It was her interest in traveling which prompted her to participate in Meredith Abroad '85. This, as Davis explains, "was the highlight of Meredith."

Jonelle is a religion and psychology

Jonelle Davis smiles for the camera.

major. At present she is making steps toward graduate school or getting a job, but whatever her decision is, she plans to eventually attend graduate school in Psychology.

When asked what role she thought religion and the Freeman Religion Club played in a student's life, she replied, "It is so important for balance in one's life. The Freeman Religion Club is important, because we hopefully provide programs that are of interest to the students."

languages and literature, and religion, Delaney respects the benefits of a liberal arts education.

"I'm glad to have the opportunity to say some good and true things about a liberal education," Delaney said.

Delaney added that the solid liberal arts background required of Meredith students prepares them for a career in business because students are encouraged to think, write and present ideas to others.

Delaney and his wife, Genis, will stay in the Meredith College Alumnae House the weekend prior to the LACD. They will visit various historical spots throughout the Piedmont.

Other activities included in the Liberal Arts Career Day will include a panel discussion at 3 p.m. in Cate Auditorium.

About 70 representatives from varying professions will be in Cate Center from 11 a.m. - 3 p.m. to answer the questions many students have about their careers.
