Graduate School Package

According to a survey of the 1988 Meredith College graduation class, 24% of the class went to graduate school or to professional school part-time or full-time following graduation. In response to increasing student interest in continuing education beyond four years, the Office of Career Services and Cooperative Education offers to students a GRADUATE SCHOOL PACKAGE for those considering professional or graduate school in the future. On Thursday, October 19, in the Cate Center upstairs, twenty-seven college representatives will be available from 9:00 a.m.--12:00p.m. to talk to students. Please join the following representative schools on October 19 for refreshments and one-to-one information sessions:

Graduate School, NCSU
 History Department, NCSU
 English Department, NCSU

College of Forest Resources,
 NCSU

School of Nursing, UNC-CH
 Graduate School, U of SC
 Graduate School, UNC-G
