

# Vann is "Reaching for the Rainbow" in 1989-90

Reach for the Rainbow! This slogan has been Vann Residence Hall's theme for the year 1989-90. We believe that just as a rainbow is made up of many different colors, so are the women in our residence hall. Just as a rainbow consists of seven main colors, so it is with the leadership in Vann Residence Hall.

Red represents Libby Mullinnix, Vann's enthusiastic residence director. Libby has been with Meredith as a residence director for three years and will graduate from Southeastern Seminary in May.

Orange is the color for Ruth Kellam, Vann's first floor resident assistant. Her enthusiasm excites not only her hall, but others too.

Yellow represents Susan Hines as the R.A. on second floor. Her sunny outlook on residence life in Vann is an example to us all.

Green signifies Carol Ann Johnson, Vann's third floor R.A. Carol Ann is majoring in interior design, thus exemplifying her creative outlook on residence life.

Blue represents a very important person at Meredith, Susan Moore. Susan is the freshman non-resident R.A. at Meredith and Vann Residence Hall welcomes all the non-resident freshmen to call Vann their home away from home this year.

And lastly, purple perfectly describes Emily Elliott as the R.A. on fourth floor Vann. She leads her hall in crazy antics each week and constantly keeps her ladies entertained.

Another very important part of Vann is its Hall Council. Hall Council hopes to accomplish many things this year. Already Vann has completed a Halloween service project welcoming children into its halls from all over the Raleigh area to trick-or-treat. Vann's service project was a great success and we plan to have another service project before the year is through.

In the future, Vann is planning an educational in which our ladies will take a typing test prepared by the Office of Career Services and Cooperative Education. This typing test will help Vann residents learn more about their personalities.

Also, in November, Vann is planning a pizza social which will feature boxer and t-shirt decorating. Vann's campus-wide project this year is the Holiday Dinner. A special Committee has been working diligently in order to have one of the best Holiday Dinners ever. Hall Council members include: Libby Mullinnix (Residence Director), Courtney Spooner (Residence Hall President), Ruth Kellam (first floor Residence Assistant), Susan Hines (second floor R.A.), Carol Ann Johnson (third floor R.A.), and Emily Elliott (fourth floor R.A.), Laura Wilson, Leanne

Gravel, Ashley Fowler, Beth Anne Fleshman, Jody Cloer, Kirsten Larson, Dawnielle Thrush, Ashley Greer.

Vann Residence Hall would also like to recognize a special person. Barbara Robinson is Vann's housekeeper. Barbara has been with Meredith for three years now and we have not seen her take a break yet! We can never thank Barbara enough for her hard work. Because through her diligent efforts Vann is always sparkling clean.

With the winning blend of colors represented by Libby, Courtney, Ruth, Susan Hines, Susan Moore, Carol Ann, Emily, Vann Residence Hall Council and the wonderful students, how can a resident help but find her pot of gold at the end of Vann's Rainbow.
