Featured artwork. Throughout the month of September, the art gallery will display a collection of posters from previous NC Seafood Festivals. Also, the original painting of the winning poster design for 2013 by Deb Covington will be on display during the month.

The showcase will feature a 3-D collage assembled by professional craftsman Don Collins, who specializes in beading and shaping wood. His career includes many years of detailed carpentry in the yacht business as well as custom cabinetry. This original piece was created over a period of years as a challenge and to show the passion he has in his work.

No reception is planned for September.
