

Mayor Haller also announced that the Community Appearance Commission has been designated to perform architectural reviews and control functions as specified in the covenants of all property owners in commercial zones.

A letter from the Department of Transportation was read asking the Town to designate the month of October as road right-of-way clean-up month. In this connection the PKS Garden Club is planning its annual "Green Bag Day" for Wednesday, October 17.

Bill Uebele, building inspector, in a review of construction activity, reported there were 72 permits issued in the first nine months of 1979, including townhouse and condominium units. At present there are 29 condominium units under construction and 19 dwellings. Five additional dwelling plans are now being processed.

Marine Resources Center.

At its first meeting of the 1979-80 season on September 12, the Garden Club heard a program, including a slide presentation, on "Wild Flowers of the Croatan" by Jeanie Wilson, staff botanist at Hampton Mariners Museum.

Officers for the current year are Becky Moore, president; Martha Hare, vice president; Vivian Macdonald, 2nd vice president; Ann Hitch, recording secretary, Billie Hathorne, corresponding secretary, and Mary Catherine Smith, Treasurer.

The club meets the second Wednesday of each month at 9:30 a.m., at the Marine Resources Center. The group is now planning for the annual "Luminaria" program for this Christmas Eve when candles are lighted along driveways and the canals.

#### NEW POLICE

Pine Knoll Shores Police Department has acquired a new patrol car and retired one of its older vehicles. The new car is a mid-size Plymouth

Volare, which follows the pattern set in recent years by most police departments in going to the smaller, more fuel efficient vehicles. The older car, an eight-cylinder Ford, was retired partly because of a recent sideswipe and the excessive maintenance costs of old age and high mileage.

#### AN UNLAMENTED

David and Frederick missed our shore. But, it isn't time to close up shop and say ho-hum. Most of the month of October will be in the past by the time this article is printed and the area may have experienced a real hurricane.

#### HURRICANE

Whatever happens, or has happened, the Pine Knoll Shores Civil Defense organization is endeavoring to maintain an active position the year round. Hurricanes and ocean born extra-tropical storms will take up their main thrust, but there are other areas that must be addressed. Some important ones- not all, and not necessarily in order of priority are: Civil disorder; fires out of control; major multiple highway disasters; an airplane crash in the town limits; acts of war.
