By this time you should have your Pine Knoll Shores city tag on your car.... they were due February 15...and if you haven't you should know you can receive a summons and be liable for the court costs, at least. The price of the tag is \$1 and they can be obtained at the Town Hall.

And finally.....Do you have your house number on your mail box, or some other easily seen location? The police, fire department and the rescue squad will appreciate your help when you need help. Every lot in Pine Knoll Shores has a number, and if you don't know yours, a call to one of the "girls" in the office at the Town Hall will get it for you. Your cooperation will be appreciated.
