Bill Robbins.

Officers of the organization are: Waightsel Hicks, chairman; Bill Robbins, vice chairman; and directors are Ray Hare, Calvin Willis, Ted McCord and Frank Morrissey. Because of the resignation of Kerney L. Smith, Frank Morrissey was appointed to serve out the balance of Mr. Smith's term. Mary Catherine Smith also presented her resignation as treasurer and Grady Campbell was appointed to fill that vacancy.

The Board of Directors reminds PIKSCO area property owners who have not joined or paid their dues for 1980-81 period to please do so. Dues are \$10 a year, which the Board reminds property owners is a minimal amount with respect to the benefits derived from the parks. It is also important that all property owners and their guests display their yellow stickers when using the parks. The Board said they continue to have problems with non-members using the group's private facilities. Stickers may be obtained from Grady Campbell by calling 726-9279 or Frank Morrissey at 726-0690
