

The day was pleasant and warm, but unfortunately was marred by a three-car accident and seven fires along Salter Path Road during the Governor's visit.

"THANKS" FROM FIRE
DEPARTMENT LADIES

The "fun day" sponsored by the Ladies Auxiliary on Sunday, October 5 from all reports was a successful event. The ladies reported they ended the day with a net profit of \$1,767.93. The affair was held at Jungleland and attracted a good sized crowd throughout the day. The ladies served fish and barbecue along with hush puppies, potato salad and cole slaw, and also sold cakes. Jungleland donated to the fire department the proceeds from jungle golf, bumper boats and other facilities of the park.

The Ladies Auxiliary particularly extend their thanks and appreciation to the residents of Pine Knoll Shores and others for their support of this event, the proceeds of which will be dedicated to useful purposes of the fire department.

COMMISSION MEETING
ON OCTOBER 7

In the absence of Mayor Wayne Cleveland, Mayor Pro Tempore Bill Dixson conducted the regular meeting of the Commission on Tuesday, October 7. During the meeting Commissioner Jerome reported that the Planning Board is preparing to mail to all residents a questionnaire. The survey will seek the views of residents on how they would like to see the growth of Pine Knoll Shores developed over the next few years, and specifically on how the land should be used. The Board encourages property owners to respond and to make suggestions which can be considered by the Planning Board for future land useage.

The Board also approved a plat scheme presented by Commissioner Jerome that would allow Bill Christian to develop a nine-lot subdivision of single family homes just east of Juniper Road, off Salter Path Road.

Fire Chief O. K. Foster presented the Fire Department report and announced that Captain Howard Laws was recuperating well from knee surgery that was required after he was injured while fighting a fire on Juniper Road. Chief Foster encouraged the Board to reconsider the plan that would allow the department to become a member of the Firemen's Relief Fund. The Board supports the program and did vote to join and pay the membership fee for all fire department members.

The Board announced that the Town Hall will be open for business on Tuesday, November 4, election day, but the meeting of the Board scheduled for that day will be postponed until the following Tuesday, November 11, at 8 p.m.

MEET YOUR NEW
NEIGHBORS

Peggy and Bob Hope, formerly of Westfield, New Jersey, moved into their new home at 109 Teak Court on September 13, their 34th wedding anniversary. On the way down from New Jersey Peggy drove the car and Bob drove the truck, communicating with each other via C.B. radio. Peg worked for New Jersey Bell Telephone Company, retiring in August, and held the title of Staff Associate. Bob operated his own business as a cabinet maker and contractor. He presently is the new building inspector for Pine Knoll Shores. His hobby is boating and fishing, while Peg likes reading, needlework and sewing. Bob built many of the cabinets in their new home, and also a desk, coffee table, stereo cabinet and the fireplace mantle.
