

BOGUE BANKS LIBRARY LOG

Need some new ideas for the up-coming holidays? Sign up now at Bogue Banks Library in the North Carolina Aquarium for a special program in Microwave Holiday Cooking schedule for 2:30 p.m. Friday, December 5th, in Lab 207. The program will be presented by Lora P. Gray.

For even more ideas, came into the library and browse through the many cookbooks and holiday craft books on the shelves.

The Library will be closed on Thanksgiving Day, but don't forget that visiting grandchildren will be welcomed at the library's regular storytime on Wednesday, November 26th, at 10:00 a.m. in the Auditorium.
