

Connie's family originally came from New Jersey but now live in Atlantic Beach. When Bill's father retired from the Air Force, his family settled in North Carolina too, and Bill graduated from the University of North Carolina in Wilmington. Connie is understandably taking a leave of absence these days, but she and Bill are associated with Larry Moore's company - Concept Marketing, Inc. When not at work, they both love boating and he is a most enthusiastic surfer. In fact one of the best vacations he ever had was a Surfing Safari last February in the Bahamas. Connie likes to work in ceramics, ride her bike, and tend her many plants in their lovely new home. And what an interesting house it is! With the help of two friends, Bill built it himself, sub-contracting only the heating, air-conditioning and plumbing. He is justly proud of this big accomplishment, which took him 13 months to finish. Tanner, a friendly seven year old Golden Retriever completes this fine young household.

PINE KNOLL SHORES WOMEN'S CLUB

The Women's Club elected new officers for the 1987-88 year at the May meeting. They will be installed at the luncheon being held at the Beaufort House on June 12.

Next year's officers are:

- | | | |
|----------------|---|-----------------------------|
| President | - | Mrs. Andrew Turney (Marge) |
| Vice President | - | Mrs. John Kay (Mary Louise) |
| Secretary | - | Mrs. Ralph Bullard (Marie) |
| Treasurer | - | Mrs. John Anthony (Connie) |

The club presented gifts to Pine Knoll Shores Town Hall, and the North Carolina Aquarium. A wall clock for the meeting room, and a projector cart were given to Town Hall. A check for \$300 was presented to Dr. Ned Smith, Director of the North Carolina Aquarium by Betty Hammon, President and Cathy Hasulak, Secretary. The money will be used to purchase books for the Aquarium for their reference library.

Thanks go to our President, Betty Hammon, and her board: Ann Ratliffe, Cathy Hasulak, and Connie Anthony for a most informative, interesting and busy year.

We hope to see you all in September around the coffee and cookie table at our first meeting next season.

ELSA WENZEL

PINE KNOLL SHORES FIRE AUXILIARY

At a recent meeting of the Auxiliary new officers were elected. Along with incumbents Marge Ramsey, Vice President, and Vern Wallace, President, they are Secretary, Jacque Lynn and Treasurer, Ellie Long. Committee Chairmen include Minnie Bezuyen, Cathy Hasulak and Louise Jolitz.

An evaluation was made of the Firemen's Appreciation dinner which 105 people attended. Besides the Firemen, guests included Rescue Squad members, Police, and Town Officials. We had great support from people in Pine Knoll Shores and are very grateful to them all.

The Auxiliary has been active. Members were on hand at Brock Basin recently providing cold drinks and snacks to the firemen who were clearing and burning that huge pile of brush.

Three sets of flashing lights are on order for new volunteer firemen's personal cars which enable them to respond to any fire quickly.

Our volunteer firemen have been having a problem getting past the curiosity seeker - mainly tourists and non-residents who rush to the scene thereby creating a traffic jam. So, please, stay away and let the firemen, police and rescue squads to their job.
