PINE KNOLL SHORES GARDEN CLUB

The Pine Knoll Shores Garden Club met at 9:30 a.m. in the Town Hall. After refreshments, Joan Dawson, our first Vice-President, introduced our speaker. Dr. Manooch is an author and research scientist and editor for the National Marine Fisheries at Pivers Island. He spoke on "Conservation and Protection of Our Water".

The hostess for the meeting was Elsa Wenzel with her committee of Rachel Mangum, Lois Heffelfinger, and Sigrid Schneider.

The Garden Club wants to thank all the people who participated in our plant sale. Next year, we hope to have an even larger selection of plants.

We are happy to welcome Mary Miller as a new member.

Jay Barnes, Director of the North Carolina Aquarium in Pine Knoll Shores, thanked all the members for their weekly care of the plants at the aquarium - and a special thanks to Lois Jean O'Keefe who heads this project.
