VOLUME XII - Number 6

June 1991

Bob Ruggiero - Editor

COMMISSIONERS MEET

Prior to the regular June meeting of the Board of Commissioners, a Budget hearing was held to discuss the upcoming fiscal 1991-92 budget. The proposed tax rate increase to .15 per \$100 was discussed. The increase was made necessary due to the decrease in reimbursement to local municipalities from the State.

At the conclusion of the Budget meeting, Mayor Hanan called upon the Commissioners to give their reports.

Commissioner Blanchard requested a workshop meeting to discuss the proposal for a Town Seal. This was set to June 17. Also addressed was the problem with mowing on the Town right-of-ways.

There are several lots in Town that have trees or tree limbs overhanging the street rights-of-way making it difficult or impossible to the contractor to mow the right-of-ways. Homeowners are requested to check the right-of way by their respective houses and, if necessary, remove limbs that would prevent the mowing contractor from properly cutting the grass on the right-of-way.

Commissioner Gibson reported that police officers McAllister, Macklin and Neison attended classes on special legal issues----drug interdiction and detection. 103 police calls were answered during May including breaking and entering.

Commissioner Hasulak noted that the Hurricane season was upon us once again. He requested that during times of impending evacuation, that persons requiring transportation by ambulance notify the rescue squad of that service as early as possible. He also spoke about an emergency telephone
