Tax Classes, travel films, and the book discussion meetings are keeping us busy this month here at the library. Please call if you need more information about these.

The copier committee met here at the library on Wednesday, January 6 to evaluate all the information we had accumulated on seven different copiers. A decision was made to purchase a Gestetner copier from B&B Office Products of Swansboro. We hope to have the new copier in thirty days or less.

In our display cabinets for January and February are chess pieces and books from a collection of Mr. and Mrs. Richard Soderberg of Pine Knoll Shores. The chess pieces are from many different countries and the display will inspire you to learn how to play the game if you don't know how. In our auditorium for January and February are pub signs carved and painted by Frank Johnson of Pine Knoll Shores. Our new B&T books for January of Mexico by Michener, Copper Beech by Binchy, and The General's Daughter by DeMille.

What does a 1993 Girl Scout look like? What does she do? Where can you find one in Carteret County? Well, she looks like any other girl between the ages of 5 and 18. She may wear a Girl Scout uniform or a tee shirt, made in a troop meeting, with a pair of jeans. Whatever she wears, if she's a Girl Scout, she may be recognized by what she does. She's aware of her community and the environment. She may participate in the Beach Sweep or plant trees with her troop. She may visit nursing homes or dress bears and dolls for the Salvation Army. A Girl Scout tries to make the world a better place.

You can find Girl Scouts all over Carteret County. We have over 250 girls in troops from Davis to Newport. We have an active troop from Pine Knoll Shores. We could have more troops if we had more adult volunteers. And our world would be a better place.

Girl Scout programs are a team effort involving girls, parents or guardians, and other adults. Women and men who take part in Girl scouting find it a rewarding experience—a chance to use their time, experience and talents to help girls grow into happy, responsible young women. Of course, troop leaders are needed, but we also need people to share their talents with a group of girls. If you have a special talent like painting, weaving, needlework, photography or a sport and you would like to spend time with us, please call Sharon Lord, Field Director, at 636-0694. We sure need you!! Thank You.

Our annual Cookie Sale begins January 23. If you would like to support the Girl Scouts by buying cookies, please call Kim Riley of 136 Yaupon Road, at 247-6673.
