**FROM THE MAYOR**

- PKS has received notification from N.C. Coastal Resources Commission that on January 28 and 29, CRC reviewed the town of Pine Knoll Shores Land Use Plan Update. Upon finding that the plan meets the requirements of the Coastal Area Management Act and the state guidelines for Land Use Planning, the Commission approved the plan. With this approval, Pine Knoll Shores' updated plan becomes the official Land Use Plan, and acts as an important link between local, state and Federal Government. P.K.S. Town Board extends many thanks to Cliff Mitchell, Chairman, and his committee, Lois Hefflefinger, Al Schmidt, Ed Bowman, Arthur Browne, Margery Turney, and Maureen Parker.

The Pine Knoll Shores Garden Club February 1993

A Valentine theme set the tone for the February 10th meeting. Hazel Byrd's two outstanding flower arrangements showed unusual creativity. A full

blown pink peony provided the focus of the first arrangement, surrounded by bursting camelia buds, red valentine hearts, podocarpus and shiny camelia leaves. The second floral arrangement was really unique insofar as the flowers themselves were created from Bermuda onions cut radically all around so that they opened up like awakening blooms. Pink or red dyes will enhance the appearance. Fatsia, podocarpus, red hearts and lotus leaves provided the background. Refreshment Hostesses Ann Hitch, Marge Kalning, Hazel Byrd, and Maggie Johnson whipped up a sumptuous spread of pineapple wedges, raspberry cookies, mini cranberry muffins, drop lemon rounds, pecan balls and Dijon cream cheese and chive triangles. President Marge Sellers made the happy announcement that Lois Jean O'Keefe has been elected President of the Seashore Council of Garden Clubs for 1993 -94. To celebrate Arbor Day on March 19th it was decided that the Garden Club will plant a tree in the memory of Past President, Vern Wallace. Jason Veasey of Jason's French Market Grille spoke on "Cooking With Herbs."

The Garden Club would like to extend a belated thank you to our hostesses for January, Vi Delbalso, Pat Flinn, Dot Belding, and Ket Blissert who provided a delectable spread of fruit kabobs, honey buns, cheddar cookies and sandwich triangles. Bill Newman of "Munden's Garden Center spoke on "The Planting and Care of Roses."
