What Do You Want for Christmas?

This is definitely the first time I can remember that I've thought of this question and didn't have an answer! So after a bit of thought this is what I want for Christmas - my health most of all, my friends to be happy, a maid (hah!), and the continued opportunity to live in the best place of all - Pine Knoll Shores! - a true paradise! God Bless You all and Have A Glorious Holiday Season!

Love, Ellen
