DECEMBER BOARD OF COMMISSIONERS MEETING

SPECIAL TOWN MEETING JANUARY 24, WATER

Growing concern about the quality and price of water provided by Carolina Water Service led the Town to consider alternatives for a water source. A committee was appointed to investigate the situation and at the November Board of Commissioners meeting the committee was authorized to employ an engineering firm to investigate all the possibilities. Bids from three engineering firms were considered and the contract was let to Colonial Engineering, Inc. This engineering firm has experience with Carolina Water Service, having advised the Town of River Bend in their water/sewer project. In order for the committee to share information and possibilities with the citizens, the Board of Commissioners will hold a special Town meeting on January 24, 1995, at 7:00 p.m. in the Town Hall. All citizens are urged to attend. There will be an opportunity for comments and questions.

AD VALOREM TAXES DUE

Beginning January 6, interest on unpaid ad valorem taxes will apply at 2% and increase 3/4% each month thereafter until paid. Citizens are asked to be sure their vehicles are registered for Pine Knoll Shores even if your mailing address is Atlantic Beach, Salter Path or Morehead City, so that the right amount of tax is sent back to Pine Knoll Shores from &e County, which collects vehicle tax now.
