

### LAND USE PLAN UPDATE

Work is to begin shortly on the update to the Land Use Plan for Pine Knoll Shores. Dale Holland, Holland Consulting Planners, Inc. of Wilmington, has been retained as Planner. A committee will be working with him on this project.

The Land Use Plan serves to guide the development of a community by addressing issues and adopting policies that pertain to that particular community. It is prepared in accordance with requirements of the N.C. Coastal Area Management Act (CAMA).

Volunteers are needed and anyone interested in serving and assisting the town on this committee, please call Town Hall, 247-4353.

### VALVE INSTALLED

At the request of the Town and Pine Knoll Association, DOT has installed a gate valve on the drain into the canal from Arborvitae Dr. A town employee will be trained to monitor and adjust the valve during times of peak run-off. This will be monitored by the State to see if this source of pollution for the sound and canal has an impact.

### CHANNEL DREDGING

Dredging of the access channel leading into PKS from Bogue Sound, is in progress. Hopefully, it will be completed before boating season gets into full swing.

**Reminder: Its time to update hurricane reentry passes at the Town Hall. Bring your card in and have 1995 stamped on it. If you don't have a new card with the black stripes across the front, come in and pick one up now BEFORE YOU NEED IT.**

### PINE KNOLL SHORES EMS #65

PKS Squad #65 held its monthly meeting on March 6, at 7:00 p.m. at Town Hall. Bill Schmid and Wes Hill (EMT Trainees) were welcomed as guests.

There were 14 calls in February. As summer season approaches with more people visiting and on vacation, our calls will increase. We will be prepared!

Both ambulances are now equipped and drivers no longer have to move important equipment to the ambulance in service each day. This is a result of applying and being awarded the grant to enable us to give the best care to patients.

A special recognition goes this month for two of the Squad members, **Charlie and Patty Swetz**, for giving extra time for out of the county transports.

EMS Week will be May 14-20th. Keep this date in mind!

Thought for the month: "Laughter can help you get well and stay well."

Teddy Wimberley, Chief

### FILING PERIOD MUNICIPAL ELECTIONS

The Carteret County Board of Elections has advised the town of the filing period for the 1995 Municipal Elections.

**FILING OPENS 12 NOON,  
FRI., JULY 7**

**FILING CLOSES 12 NOON,  
FRI., AUG. 4**
