

PKS TO GIVE AWAY PRIZES?????YES!!!!

HURRICANE PREPAREDNESS is of vital importance to every property owner in our town. Few of you have experienced the danger, the financial loss and the personal loss, the confusion, the anxiety or the hardships wrought by such a devastating event as an Atlantic Hurricane. If you fully realize the privilege of a home at the beach you must guard that privilege by being truly prepared if you are not currently informed.

A HURRICANE PREPAREDNESS MEETING on June 16 at Town Hall should be your highest priority. It begins at 2:30 pm and won't last long but you WILL learn and you WILL ask questions and you WILL go away more able to protect your possessions and your property and maybe with a very nice prize, too.

The growth of our town, the huge increase of population in the summer, the bothersome complacency since we have not had a hit in so many years and the added pressures of our exit through Atlantic Beach compound our problems. You need to know procedures, restrictions, timing, enforcement; the more you know the safer you and your home will be and the better the lot of your fellow citizens, too.

After the storm, very strict control will prevail. You need to know about post-disaster dictates, otherwise you will be frustrated and very angry with us (and yourself). Attend the meeting.... it will help more than you think.

And by the way...we'll have drawings for OFFICIAL PINE KNOLL SHORES TEE SHIRTS AND GOLF CAPS.

We urge NON-RESIDENT PKS CITIZENS to attend. We need your help...and you need ours.

PKS GARDEN CLUB

The PKS Garden Club met May 10 at the Town Hall. President Betty Stanton called the meeting to order. She welcomed new residents, Betty Finefrock and Maureen Kocher.

Lois Jean O'Keefe reported the April plant sale was very successful. Proceeds were \$541.75, which will go into the beautification budget. Lois Jean also announced that the PKS club was awarded a Red Ribbon for the plantings at Pine Knoll Blvd. at the recent District 11 Meeting.

1st VP, Viola del Balso, introduced Marianna Brown. Ms. Brown has been recently elected to the State Board of Governors, and will be in charge of the state supported Elizabethan Gardens in Manteo. Her slide program showed the Daniel Boone Native Garden in Boone, NC, and highlighted flowers, shrubs, and trees of the NC Mountains.
