NORTH CAROLINA AQUARIUM

Many activities are planned at the Aquarium, so be sure to come by or call (247-4004) and get a summer calendar. Two new programs will be offered during July:

1. Night Trek - This program requires pre-registration and starts at 7:45 pm at the Aquarium. An educator will begin this nighttime adventure with a program on sea turtles followed by a hike to explore the beach and maybe catch a glimpse of this mysterious reptile. Summer dates are July 12 (Aquarium Society Members Only) and July 27.

2. Discovery Days - On these special days, teaching stations will be set up throughout the Aquarium with informal discussions about a wide variety of topics. Some of the topics will include shells of North Carolina, snakes, reptiles, fish, saltmarsh finds - just to name a few. These days will be offered twice a month during the summer, July 12 and 21 and August 2 and 25.

Some of the Special Activities (programs with a fee) during the summer months include: weekly

children's programs for ages 4 through 5th grade; canoe trips on the Bogue Sound and to Rachel Carson Reserve; snorkeling classes; various craft classes; crabbing and clamming classes; trawling and dredging trips on a 47' research vessel; and trips to Cape Lookout National Seashore and Bear Island.

BOGUE BANKS LIBRARY

Many changes are taking place at the library. We have in place two new trading post carousels. The n.a. paperbacks have been transferred to these new carousels and to the book sale collection. The large print books have been moved to the area where the n.a. paperbacks were placed. We are going to receive 30 new large print books being bought for us in the very near future. We are also training several new additional substitute librarians. If Donna or I have to be gone from the library, these additional ladies may be asked to come in. Change takes patience and understanding. Please ask us questions or make suggestions if you wish.

New books at the library for June are as follows: The Rainmaker by Grisham, The Carousel by Plain, The Promise of Rest by Reynolds Price, Mind Prey by Sandford, Angel of Death by Higgins, Daughter of the Stars by Whitney, Mrs. Pollifax Pursued by Gilman, and Being Digital by Negroponte.

Please remember our summer children's film series and the summer reading program for children. The library will be closed for the July 4th holiday on Tuesday, July 4.

Ernestine Conway, Librarian
